Independent Auditor's Report

To the Board of Directors
Rural Water and/or Sewer and/or Gas and/or
Solid Waste Management District Number 7,
Sequoyah County, Oklahoma
Muldrow, Oklahoma

We have audited the accompanying financial statements of the Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District Number 7, Sequoyah County, Oklahoma (the District), as of and for the years ended September 30, 2014 and 2013, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District Number 7, Sequoyah County, Oklahoma, as of September 30, 2014 and 2013, and the respective changes in financial position and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 4 through 7 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

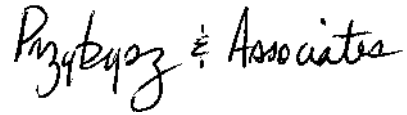

Other Information

Our audit was made for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental schedule on page 18 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Governmental Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 26, 2014, on our consideration of the District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of

our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District Number 7's internal control over financial reporting and compliance

MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED SEPTEMBER 30, 2014**

This section of the Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District #7, Sequoyah County, Oklahoma annual financial report presents the analysis of the District's financial performance during the fiscal year ended September 30, 2014. This information is presented in conjunction with the audited basic financial statements, which follow this section.

FINANCIAL HIGHLIGHTS

- The District ended the year September 30, 2014 with a net position balance of \$2,823,844.
- The change in net position or net income of the District was an increase of \$333,732.
- The District expended \$131,361 in capital assets during the year.
- The statement of cash flows identifies sources and uses of cash activity for the fiscal year. For fiscal year 2014, cash and cash equivalents increased by \$259,820. Cash provided from the day to day operations totaled \$409,375. Cash used by capital and related financing activities totaled \$150,729. Of this amount, \$131,361 was used to purchase capital assets and \$19,368 was used to service debt. Cash provided by investing activities netted \$1,174.

OVERVIEW OF THE FINANCIAL STATEMENTS

This financial report consists of the following parts: Management's Discussion and Analysis and Basic Financial Statements. The financial statements include notes which explain in detail some of the information included in the basic financial statements.

REQUIRED FINANCIAL STATEMENTS

The Financial Statements of the District report information utilizing the full accrual basis of accounting. The Financial Statements conform to accounting principles which are generally accepted in the United States of America. The Statement of Net Position includes information on the District's assets and liabilities and provides information about the nature and amounts of investments in resources (assets) and the obligations to District creditors (liabilities). The Statement of Revenue, Expenses and Changes in Net Position identifies the District's revenues and expenses for the fiscal year ended September 30, 2014. This statement provides information on the District's operations over the past fiscal year and can be used to determine whether the District has recovered all of its actual and projected costs through user fees and other charges. The third financial statement is the Statement of Cash Flows. This statement provides information on the District's cash receipts, cash payments and changes in cash resulting from operations, investments, and financing activities. The net result of these activities added to the beginning of the year cash balance total to the cash equivalent balance at the end of the current fiscal year.

RURAL WATER AND/OR SEWER AND/OR GAS AND/OR SOLID WASTE MANAGEMENT DISTRICT #7, SEQUOYAH COUNTY, OKLAHOMA

Notes to Financial Statements

SEPTEMBER 30, 2014 AND 2013

Nature of Business

Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District Number 7, Sequoyah County Oklahoma (the District) was formed in 1991 for the purpose of supplying water and sewer services to the residents of eastern Sequoyah County, Oklahoma.

1. Summary of Significant Accounting Policies

a. Financial Reporting

The accompanying financial statements have been prepared using the economic resources measurement focus and the accrual basis of accounting and reflect transactions on behalf of the District. The District accounts for its operations as an enterprise fund.

The financial statements of the Department have been prepared in accordance with generally accepted accounting principals (GAAP) in the United States. GAAP statements include all relevant Governmental Accounting Standards Board (GASB) pronouncements. The Department implemented GASB Statement No. 62, Codification of Accounting and Financial Reporting Guidance Contained in *Pre-November 30, 1989, FASB and AICPA Pronouncements*. This pronouncement incorporates the FASB, APB, and ARB pronouncements issued on or before November 30, 1989, which do not conflict with or contradict GASB pronouncements. The implementation of this pronouncement had no significant effect on the financial statements.

b. Capital Outlays and Depreciation

Capital outlays of the District are recorded at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Expenditures for maintenance, repairs and renewals of relatively minor items are charged to expense as incurred. The estimated useful lives of the assets are as follows:

	Life
Buildings and improvements	5-40 years
Water distribution system and improvements	10-40 years
Machinery and equipment	5-7 years
Vehicles	5 years
Office equipment	5-7 years

It is the District's policy to capitalize assets purchased for \$1,000 or more and to expense assets purchased for less than \$1,000.

Notes to Financial Statements

SEPTEMBER 30, 2014 AND 2013

1. Summary of Significant Accounting Policies (Continued)

c. Cash Equivalents

For purposes of the statement of cash flows, the District considers all highly liquid debt instruments with a maturity of three months or less when purchased to be cash equivalents excluding restricted cash.

d. Income Taxes

The District is exempt from income taxes as a governmental agency.

e. Accounts Receivable

Management establishes an allowance for uncollectible accounts receivable based on historical collection experience and management's evaluation of the collectability of outstanding accounts receivable. The allowance for doubtful accounts was \$12,405 and \$13,305 as of September 30, 2014 and 2013, respectively.

f. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

g. Compensated Absences

Employees of the District can accrue up to 40 hours of vacation that can be carried over to the next year. The District has not made an accrual for these amounts at year end.

2. Cash Deposits

The District has deposits at three financial institutions. At times, the balances may exceed the Federal Deposit Insurance Corporation (FDIC) coverage limit. Some of these balances are collateralized. Management does not believe the District is exposed to any significant credit risk related to cash.

Notes to Financial Statements

SEPTEMBER 30, 2014 AND 2013

6. Pension Plan

The District has an agreement with the State of Oklahoma to administer an "Oklahoma Public Employees Retirement" plan, effective January 1, 2001. This is a model plan qualifying as an exempt pension plan under the Internal Revenue Code.

Among other provisions, the District contributes 16.5% of each participant's annual compensation, while the participant contributes 3.5% of annual compensation to the plan each year. Contributions to the plan for the years ended September 30, 2014 and 2013, totaled \$31,121 and \$61,580 respectively.

7. Contractual Agreements and Major Supplier

The District has a contractual agreement with the City of Fort Smith, Arkansas to obtain its water supply. Under the contract, it is understood that water being delivered to the District is considered to be that not presently needed by the water system of the City of Fort Smith. If, at any time, in the opinion of the governing body of the City of Fort Smith, the City does not have a sufficient supply of water to meet the needs of the retail customers of the water system of the City, the City shall have the right to terminate the agreement and discontinue the sale of water to the District upon thirty days written notice to the District. For the year ended September 30, 2014 the District purchased 98% of its water from the City of Fort Smith.

The District also has agreements with the Muldrow (Oklahoma) Utility Authority and the Sequoyah County (Oklahoma) Water Association to potentially purchase water from them in the future. For the year ended September 30, 2014 the District purchased 2% of its water from the Muldrow Utility Authority.

8. Concentrations of Credit Risk

Financial instruments that potentially subject the District to credit risk consist primarily of accounts receivable. The receivables are from individuals located within the same geographic region.

9. Risk Management

The District is exposed to various levels of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District carries commercial blanket coverage and worker's compensation for risk of loss.

There has been no significant reduction in the District's insurance coverage from the previous year. In addition there have been no settlements in excess of the District's coverage in any of the prior three fiscal years.

ADDITIONAL REQUIRED REPORT

**Independent Auditor's Report On Internal Control Over Financial Reporting
And On Compliance And Other Matters Based On An Audit Of Financial
Statements Performed In Accordance With *Government Auditing Standards***

To the Board of Directors
Rural Water and/or Sewer and/or Gas and/or
Solid Waste Management District Number 7,
Sequoyah County, Oklahoma
Muldrow, Oklahoma

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District Number 7, Sequoyah County, Oklahoma (the District), as of and for the years ended September 30, 2014 and 2013, and the related notes to the financial statements, which collectively comprise District's basic financial statements, and have issued our report thereon dated November 26, 2014.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of District's internal control. Accordingly, we do not express an opinion on the effectiveness of District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of

deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
