INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and City Council
City of Tahlequah, Oklahoma

Opinion

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Tahlequah, Oklahoma (the "City") as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City, as of June 30, 2022, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle

As discussed in Note 6 to the financial statements, in 2022 the City adopted new accounting guidance, GASB No. 87 *Leases*. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to express an opinion on these financial statements based on our audit. We did not audit the financial statements of the Tahlequah Educational Facilities Authority and the Tahlequah Public Facilities Authority, the discretely presented component units of the Tahlequah Hospital Authority, Tahlequah Public Works Authority, and Tahlequah Regional Development Authority. These balances represent 100 percent of the assets, net position, and revenues of Tahlequah Educational Facilities and the Tahlequah Public Facilities Authority and 100 percent of the assets, net position, and revenues of the aggregate discretely presented component units. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for Tahlequah Hospital Authority, Tahlequah Public Works Authority, Tahlequah Public Facilities Authority, Tahlequah Educational Facilities Authority, and the Tahlequah Regional Development Authority, is based solely on the report of the other auditors.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The combining and individual nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated May 19, 2023, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

CITY OF TAHLEQUAH, OKLAHOMA
Management's Discussion and Analysis
As of and for the Fiscal Year Ended June 30, 2022

Our discussion and analysis of the City of Tahlequah's financial performance provides an overview of the City's financial activities for the fiscal year ended June 30, 2022. Please read it in conjunction with the City's financial statements, which follow this section.

FINANCIAL HIGHLIGHTS

- For the fiscal year ended June 30, 2022, the City's total net position increased by \$6,083,275 or 13.6% from the prior year.
- During the year, the City's expenses for governmental activities were \$13.5 million and were funded by program revenues of \$4.1 million and further funded with taxes and other general revenues \$14.9 million.
- In the City's business-type activities, which include education and sanitation, program revenues were in excess of expenses in total by \$401,166.
- For budgetary reporting purposes, the General Fund reported revenues over estimates by \$1.1 million or 10.4%, while expenditures were under the final appropriations by \$717,784 or 5.9%.

OVERVIEW OF THE FINANCIAL STATEMENTS

The financial statements presented herein include all of the activities of the City of Tahlequah (the "City") and its component units using the integrated approach as prescribed by GASB Statements No. 14, 34, 39, and 61. Included in this report are government-wide statements for each of three categories of activities – governmental, business-type, including two blended component units and discretely presented component units.

The government-wide financial statements present the complete financial picture of the City from the economic resources measurement focus using the accrual basis of accounting. They present governmental activities and business-type activities separately and combined. These statements include all assets of the City's financial reporting entity (including infrastructure capital assets) and deferred outflows, as well as all liabilities (including all long-term debt) and deferred inflows.

About the City

The City of Tahlequah is an incorporated municipality with a population of approximately 16,966 located in eastern Oklahoma. The City is an aldermanic form of government and operates under state law that provides for three branches of government:

- Legislative – the City Council is a five-member governing body with the mayor and four council members elected by the citizens at large
- Executive – the City Mayor is the Chief Executive Officer and is elected by the citizenry
- Judicial – the Municipal Judge is a practicing attorney appointed by the Mayor and confirmed by the City Council

The City's primary government provides typical municipal services such as public safety, health and welfare, street and alley maintenance, parks and recreation, airport, sanitation and education.

The City's Financial Reporting Entity

This annual report includes all activities for which the Tahlequah City Council is fiscally responsible. These activities, defined as the City's financial reporting entity, are operated within separate legal entities that make up the primary government.

The City's financial reporting entity includes the primary government (City of Tahlequah and two blended component units) as follows:

- **The City of Tahlequah** – that operates the public safety, health and welfare, streets and highways, parks and recreation, and administrative activities
- **The Tahlequah Public Facilities Authority** – that operates to stimulate public growth and development; to promote public well-being by improving available resources, increasing job opportunities, promoting entrepreneurship and capital investment
- **The Tahlequah Educational Facilities Authority** – operates to promote, finance and develop projects, facilities and services pertaining to educational institutions and the furtherance of educational opportunities

Both component units (Authorities) have the City Council as their governing body (trustees) and the City is able to impose its will on the Authorities through required approval of all debt obligations issued by these entities.

In addition, the City's financial reporting entity includes three discretely presented component units, the Tahlequah Hospital Authority, the Tahlequah Public Works Authority and the Tahlequah Regional Development Authority.

Using This Annual Report

This annual report is presented in a format that complies with the presentation requirements of the Governmental Accounting Standards Board (GASB) in accordance with generally accepted accounting principles. The presentation includes financial statements that communicate the City's financial condition and changes therein at two distinct levels:

- **The City as a Whole** (a government-wide presentation)
- **The City's Funds** (a presentation of the City's major and aggregate non-major funds)

The City's various government-wide and fund financial statements are presented throughout this annual report and are accompanied by:

- **Management's Discussion and Analysis** – that provides useful analysis that facilitates a better understanding of the City's financial condition and changes therein.
- **Footnotes** - that elaborate on the City's accounting principles used in the preparation of the financial statements and further explain financial statement elements
- **Supplemental Schedules** – that provide additional information about specified elements of the financial statements, such as budgetary comparison information

Reporting the City as a Whole

The Statement of Net Position and the Statement of Activities

One of the most frequently asked questions about the City's finances is, "Has the City's overall financial condition improved, declined or remained steady over the past year?" The Statement of Net Position and the Statement of Activities report information about the City as a whole and about its activities in a way that helps answer this question. These statements include all assets, deferred outflows, liabilities and deferred inflows, using the accrual basis of accounting. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two government-wide statements report the City's net position and changes in them from the prior year. You can think of the City's net position – the residual difference between assets, deferred outflows, liabilities and deferred inflows, – as one way to measure the City's financial condition, or position. Over time, increases or decreases in the City's net position is one indicator of whether its financial health is improving, deteriorating, or remaining steady. However, you must consider other nonfinancial factors, such as changes in the City's tax base, the condition of the City's roads, and the quality of services to assess the overall health and performance of the City.

As mentioned above, in the Statement of Net Position and the Statement of Activities, we divide the City into two kinds of activities:

- Governmental activities – Most of the City's basic services are reported here, including the police, fire, general administration, streets, and parks. Sales taxes, franchise fees, fines, and state and federal grants finance most of these activities.
- Business-type activities – The City charges a fee to customers to help cover all or most of the cost of certain services it provides. The City's sanitation and education activities are reported here.

Reporting the City's Most Significant Funds

Fund Financial Statements

The fund financial statements provide detailed information about the most significant funds – not the City as a whole. Some funds are required to be established by State law and by bond covenants. However, management establishes many other funds to help it control and manage money for particular purposes or to show that it is meeting legal responsibilities for using certain taxes, grants and other money. All of the funds of the City of Tahlequah can be divided into two categories: governmental funds and proprietary funds.

Governmental funds – Most of the City's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end that are available for spending. These funds are reported using an accounting method called modified accrual accounting, which measures cash and all other financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short-term view of the City's general government operations and the basic service it provides. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future to finance the City's programs. The differences of results in the Governmental Fund financial statements to those in the Government-Wide financial statements are explained in a reconciliation following each Governmental Fund financial statement.

CITY OF TAHLEQUAH, OKLAHOMA
Management's Discussion and Analysis
As of and for the Fiscal Year Ended June 30, 2022

Proprietary funds – When the City charges customers for the services it provides – whether to outside customers or to other units of the City – these services are generally reported in proprietary funds. Proprietary funds are reported in the same way that all activities are reported in the Statement of Net Position, the Statement of Revenues, Expenses and Changes in Fund Net Position and Statement of Cash Flows. In fact, the City’s enterprise funds are essentially the same as the business-type activities we report in the government-wide statements but provide more detail and additional information, such as cash flows.

A FINANCIAL ANALYSIS OF THE CITY AS A WHOLE

Net Position

As noted earlier, net position may serve over time as a useful indicator of a government’s financial position. In the case of the primary government, assets and deferred outflows exceeded liabilities and deferred inflows by \$50.8 million at the close of the most recent fiscal year.

TABLE 1
NET POSITION (In Thousands)

	<u>Governmental Activities</u>		<u>Business-Type Activities</u>		<u>Total</u>	
	<u>2022</u>	<u>2021</u>	<u>2022</u>	<u>2021</u>	<u>2022</u>	<u>2021</u>
Current assets	\$ 25,292	\$ 21,378	\$ 8,167	\$ 9,853	\$ 33,459	\$ 31,231
Non-current assets	40,044	35,410	5,478	5,028	45,522	40,438
Total assets	65,336	56,788	13,645	14,881	78,981	71,669
Deferred outflow of resources	1,780	1,962	234	307	2,014	2,269
Current liabilities	4,555	3,217	4,114	2,505	8,669	5,722
Non-current liabilities	14,978	19,716	21	4,280	14,999	23,996
Total liabilities	19,533	22,933	4,135	6,785	23,668	29,718
Deferred inflow of resources	5,711	396	799	32	6,510	428
Net position						
Net investment in capital assets	23,218	21,241	4,780	5,009	27,998	26,250
Restricted	12,355	9,921	54	59	12,409	9,980
Unrestricted	6,299	5,200	4,111	3,303	10,410	8,503
Total net position	\$ 41,872	\$ 36,362	\$ 8,945	\$ 8,371	\$ 50,817	\$ 44,733

The largest portion of the City’s net position reflects its investment in capital assets (e.g., land, buildings, machinery, and equipment); less any related debt used to acquire those assets that is still outstanding. For 2022, this net investment in capital assets amounted to approximately \$28.0 million. The City uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the City’s investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

Another portion of the City’s net position, approximately \$12.4 million, also represents resources that are subject to external restrictions or internal legislation on how they may be used. The remaining balance of unrestricted net position, approximately \$10.4 million, is available to meet the government’s ongoing obligations to citizens and creditors.

CITY OF TAHLEQUAH, OKLAHOMA
Management's Discussion and Analysis
As of and for the Fiscal Year Ended June 30, 2022

Changes in Net Position

For the year ended June 30, 2022, net position of the primary government changed as follows:

Governmental Activities

To aid in the understanding of the Statement of Activities some additional explanation is given. Of particular interest is the format that is significantly different than a typical Statement of Revenues, Expenses, and Changes in Fund Balance. You will notice that expenses are listed in the first column with revenues from that particular program reported to the right. The result is a Net (Expense)/Revenue. The reason for this kind of format is to highlight the relative financial burden of each of the functions on the City's taxpayers. It also identifies how much each function draws from the general revenues or if it is self-financing through fees and grants or contributions. All other governmental revenues are reported as general. It is important to note all taxes are classified as general revenue even if restricted for a specific purpose.

CITY OF TAHLEQUAH, OKLAHOMA
Management's Discussion and Analysis
As of and for the Fiscal Year Ended June 30, 2022

TABLE 3
Net Revenue (Expense) of Governmental Activities
(In Thousands)

Total	<u>\$ 2,684</u>	<u>\$ 2,525</u>	<u>\$ 401</u>	<u>\$ 208</u>

The City's business-type activities include utility services for sanitation and also education services.

In reviewing the business-type activities net (expense)/revenue, the following highlights should be noted:

- Total business-type activities reported net revenue of \$401,166 for the year ended June 30, 2022.
- Sanitation activities reported net revenue of \$393,088, education activities reported net revenue of \$8,078.

CITY OF TAHLEQUAH, OKLAHOMA
Management's Discussion and Analysis
As of and for the Fiscal Year Ended June 30, 2022

A FINANCIAL ANALYSIS OF THE CITY'S FUNDS

As the City completed its 2022 fiscal year, the governmental funds reported a combined fund balance of \$24,851,861. The enterprise funds reported combined net position of \$8,944,484.

Other fund highlights include:

- In the General Fund there was a \$166,625 restriction for streets, \$61,885 restriction for public safety, \$8,385 restriction for dog park, and an \$18,317 restriction for indigent transportation. There was also a \$14,870 assignment for public safety, a \$67,971 assignment for the CDBG, and \$4,320 assignment for Brookside restoration.
- Proprietary fund net position restrictions included \$53,843 for education.

General Fund Budgetary Highlights

Actual revenues and transfers were over estimates by \$1.1 million or 10.4%, while expenditures and transfers were under final appropriations by \$717,784 or 5.9%.

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets

At the end of June 30, 2022, the City had approximately \$37.7 million invested in capital assets, net of depreciation, including streets, facility improvements, and land purchases. (See Table 5).

Infrastructure project – Allen, College	\$828,072
Infrastructure project – Mimosa, Mahaney	\$329,193
Sanitation – 2021 Freightliner	\$234,000

See Note 4 to the financial statements for more detail information on the City's capital assets and changes therein.

CITY OF TAHLEQUAH, OKLAHOMA
Management's Discussion and Analysis
As of and for the Fiscal Year Ended June 30, 2022

Long- Term Debt

At year-end, the City had \$18.9 million in long-term debt outstanding. The City implemented GASB Statement No. 87, Leases during the fiscal year resulting in lease obligations of \$552,167 recognized during implementation. The City's changes in long-term debt by type of debt are as follows:

TABLE 6
Long-Term Debt

	<u>Governmental</u>		<u>Business-Type</u>		<u>Total</u>	
	<u>Activities</u>		<u>Activities</u>			
	<u>2022</u>	<u>2021</u>	<u>2022</u>	<u>2021</u>	<u>2022</u>	<u>2021</u>
Accrued absences	\$ 655	\$ 680	23	\$ 32	\$ 678	\$ 712
Revenue bonds	13,758	15,309	3,880	6,200	17,638	21,509
Notes payable	-	75	-	1	-	76
Lease obligations	552	-	-	-	552	-
Totals	\$ 14,965	\$ 16,064	\$ 3,903	\$ 6,233	\$ 18,868	\$ 22,297

See Note 5 to the financial statements for more detail information on the City's long-term debt and changes therein.

The Economic Outlook

The following information outlines significant factors that will affect subsequent year finances:

An economic slowdown began in early March 2020 related to the effects of the Coronavirus and has certainly had an economic impact on the City's financial position and activities. However, in FY 21-22, the City received ARPA monies that will help offset some of these shortfalls.

Contacting the City's Financial Management

This report is designed to provide our citizens, taxpayers, customers and creditors with an understanding of the City's finances and to demonstrate the City's accountability for the resources it receives. If you have questions about this report or need additional financial information, contact the City Clerk's Office at 111 S. Cherokee, Tahlequah, Oklahoma 74464 or telephone at 918-456-0651.

Capital assets used in governmental activities are not current financial resources and therefore are not reported in this fund financial statement, but are reported in the governmental activities of the Statement of Net Position.		
		32,902,723
Certain long-term assets and deferred outflows are not available to pay for current fund liabilities and therefore, are either deferred or not reported in the funds:		
Net OPEB asset		158,065
Net pension asset		4,170,413
OPEB related deferred outflows		50,279
Pension related deferred outflows		1,730,164
Unavailable revenue		229,795
Certain long-term liabilities, along with certain deferred inflows, are not due and payable from current financial resources and therefore, are not reported in the funds:		
Net pension liability		(1,823,096)
Pension related deferred inflows		(5,414,955)
OPEB related deferred inflows		(97,193)
Note payable		(13,678,870)
Accrued compensated absences		(654,665)
Lease obligations		(552,167)
Net Position of Governmental Activities in the Statement of Net Position	\$	41,872,354

See accompanying notes to the basic financial statements.

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

Reconciliation of Governmental Funds and Government-Wide Financial Statements (Continued):

Net change in fund balances - total governmental funds: \$ 2,390,864

Amounts reported for Governmental Activities in the Statement of Activities are different because:

Governmental funds report outlays for capital assets as expenditures because such outlays use current financial resources. In contrast, the Statement of Activities reports only a portion of the outlay as expense. The outlay is allocated over the assets' estimated useful lives as depreciation expense for the period.

Capital asset purchases capitalized	2,490,027
Depreciation & Amortization expense	(2,912,581)

Governmental funds report the entire net sales price (proceeds) from sale of an asset as revenue because it provides current financial resources. In contrast, the Statement of Activities reports only the gain or loss on the sale of the assets. Thus, the change in net position differs from the change in fund balance by the cost of the asset sold.

Donated assets	149,376
Leased assets ancillary costs	18,482
Transferred assets	83,435
Book value of disposed asset	(87,156)

In the Statement of Activities, the net cost of pension benefits earned is calculated and reported as pension expense. The fund financial statements report pension contributions as pension expenditures. This amount represents the difference between pension contributions and calculated pension expense.

1,557,445

Revenues in the Statement of Activities that do not provide current financial resources are not reported as revenues in the funds:

Change in unavailable revenue	129,128
-------------------------------	---------

Debt proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of debt principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the Statement of Net Position:

Principal payments on long-term debt	1,535,000
Principal payments on leases	76,778
Premium amortization	16,214

Some expenses reported in the statement of activities do not require the use of current financial resources and these are not reported as expenditures in governmental funds:

Change Net OPEB asset	90,130
Change in OPEB deferrals	(51,933)
Change in accrued compensated absences	24,981

Change in net position of governmental activities	\$ 5,510,190
---	--------------

See accompanying notes to the basic financial statements.

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

FOOTNOTES TO THE BASIC FINANCIAL STATEMENTS

Footnotes to the Basic Financial Statements:

1. Summary of Significant Accounting Policies

A. Financial Reporting Entity

The City's financial reporting entity includes the primary government (City of Tahlequah and two blended component units) as noted below, along with three discretely presented component units. This annual report includes all activities for which the City of Tahlequah City Council are fiscally responsible.

In determining the financial reporting entity, the City complies with the provisions of Governmental Accounting Standards Board Statement No. 14, "The Financial Reporting Entity," as amended by Statement 61, and includes all component units for which the City is financially accountable.

The City of Tahlequah – provides the public safety, health and welfare, streets and highways, parks and recreation, and administrative activities.

The City of Tahlequah has a population of 16,966 located in eastern Oklahoma. The City is an aldermanic form of government and operates under state law that provides for three branches of government:

- Legislative – the City Council is a five-member governing body with the mayor and four council members elected by the citizens at large
- Executive – the Mayor is the Chief Executive Officer and is elected by citizenry
- Judicial – the Municipal Judge is a practicing attorney appointed by the City Council

The City provides typical municipal services such as public safety, health and welfare, street and alley maintenance, parks and recreation, airport, and certain utility services including sanitation.

Component Units:

- **The Tahlequah Public Facilities Authority** – that stimulate public growth and development, increasing meaningful job opportunities, promoting entrepreneurship and capital investment, to inventory public services, facilities and resources, to promote, encourage and finance the growth and development of the City
- **The Tahlequah Educational Facilities Authority** – that stimulates educational growth and development and promote, encourage and finance the growth and development of education within the City

Both component units (Authorities) have the City Council as their governing body (trustees) and the City is able to impose its will on the Authorities through required approval of all debt obligations issued by these entities.

CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022

In addition, the City has the following three discretely presented component units:

- **The Tahlequah Hospital Authority** –consists of seven trustees who are responsible for decisions related to the management, operation and development of the Northeastern Health System hospital. Appointments of the Trustees are made by appointment of the mayor of Tahlequah and approved by the City Council and established as a Title 60 Public Trust.
- **The Tahlequah Public Works Authority** – is a public trust created under the authority of and pursuant to the provisions of Title 60, Oklahoma Statute 1961, Sections 176 to 180, on December 4, 1970 for the use and benefit of the City of Tahlequah, Oklahoma. The Authority was established to manage utility facilities whether water, sewage, electric, or other forms or types of public and municipal services within or without the corporate boundaries of the City of Tahlequah, Oklahoma and the conservation of public welfare in these areas.
- **The Tahlequah Regional Development Authority** - is a public trust created on September 8, 1981, under the provisions of Title 60, Oklahoma Statutes, the Oklahoma Trust Act, and other applicable laws and statutes of the State of Oklahoma. The Board of Trustees are citizens and residents of the Beneficiary and/or County appointed by the Mayor and confirmed by a majority vote of the City Council of the City of Tahlequah. The regional development authority mission is to advance an environment through partnerships which preserves, attracts and promotes business growth in the Tahlequah community.

Each of these component units are Public Trusts established pursuant to Title 60 of Oklahoma State law. Public Trusts (Authorities) have no taxing power. The Authorities are generally created to finance City services through issuance of revenue bonds or other non-general obligation debt and to enable the City Council to delegate certain functions to the governing body (Trustees) of the Authority. The Authorities generally retain title to assets which are acquired or constructed with Authority debt or other Authority generated resources. The City, as beneficiary of the Public Trusts, receives title to any residual assets when a Public Trust is dissolved.

B. Basis of Presentation and Accounting

Government-Wide Financial Statements:

The statements of net position and activities are reported on the accrual basis of accounting and economic resources measurement focus. Under the accrual basis of accounting, revenues are recognized when earned and expenses (including depreciation and amortization) are recorded when the liability is incurred or economic asset used.

Program revenues in the Statement of Activities are revenues that are derived directly from each activity or from parties outside of the City's taxpayers. The City has the following program revenues in each activity:

- General government – licenses and permits, inspection fees, rental fees, operating grants and contributions
- Public safety – fine revenue, fire run fees, on-behalf pension payments, operating grants
- Highways and streets – stormwater management fees, commercial vehicle and gasoline excise tax shared by the State

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

- Culture and recreation – swimming pool, golf course, and aquatic center fees/concessions, operating grants
- Airport – rental fees, fuel sales, capital grants and contributions
- Cemetery – Cemetery lot sales and openings/closings revenue

All other governmental revenues are reported as general. All taxes are classified as general revenue even if restricted for a specific purpose.

Governmental Funds:

The City’s governmental funds include:

Major Funds:

- General Fund – accounts for all activities not accounted for in other special-purpose funds
- Restricted Sales Tax II Fund – accounts for sales tax levied by the City for capital project improvements and debt service payments related to capital projects
- Tahlequah Public Facilities Authority – accounts for resources related to capital projects
- Streets & Sidewalks Fund – capital improvement fund for use of sales tax for improvements to streets and sidewalks.

Aggregated Non-Major Funds (reported as Other Governmental Funds):

Special Revenue Funds:

- Restricted Sales Tax Fund – accounts for sales tax levied by the City for the utility system
- Street and Alley Fund – accounts for revenues from gasoline and vehicle taxes restricted for street repairs and maintenance
- Cemetery Care Fund – accounts for 12.5 percent of cemetery revenue restricted by State law for cemetery capital improvements, with interest used for maintenance or capital improvements
- Hotel/Motel Tax Fund – accounts for hotel/motel tax collections to promote tourism for the City.
- Stormwater Management Fund – accounts for fees charges to manage stormwater runoff and stormwater management including but not limited to development, administration, and implementation of a stormwater management program.
- Capital Improvement Fund – accounts for capital outlays related to City capital improvement projects.

The governmental funds are reported on the modified accrual basis of accounting in which revenues are recorded when earned and measurable and available to pay current financial obligations, while expenditures are recorded when incurred and payable from current financial resources. The City defines revenue availability as collected within 60 days of period end.

The reconciliation of the governmental funds financial statements to the governmental activities presentation in the government-wide financial statements is the result of the use of the accrual basis of accounting and economic resources measurement focus at the government-wide level.

The General Fund, Restricted Sales Tax II Fund and the Tahlequah Public Facilities Authority Fund are considered major funds and are therefore displayed in separate columns. All other governmental funds are considered non-major funds and are aggregated under the column Other Governmental Funds. \

Proprietary Funds:

The City's proprietary funds include:

Enterprise Funds

- Sanitation Fund - accounts for the activities in providing sanitation services to the public.
- Tahlequah Educational Facilities Authority Fund - accounts for the activities related to educational facilities and Tahlequah Public Schools.

The proprietary funds are reported on the accrual basis of accounting and economic resources measurement focus.

For purposes of the statement of revenues, expenses and changes in fund net position, operating revenues and expenses are considered those whose cash flows are related to operating activities, while revenues and expenses related to financing, capital and investing activities are reported as non-operating or transfers and contributions.

C. Measurement Focus and Basis of Accounting

Measurement focus is a term used to describe "how" transactions are recorded within the various financial statements. Basis of accounting refers to "when" transactions are recorded regardless of the measurement focus applied.

Measurement Focus

On the government-wide Statement of Net Position and the Statement of Activities both governmental and business-like activities are presented using the economic resources measurement focus as defined in item b. below.

In the fund financial statements, the "current financial resources" measurement focus or the "economic resources" measurement focus is used as appropriate:

- a. All governmental funds utilize a "current financial resources" measurement focus. Only current financial assets and liabilities are generally included on their balance sheets. Their operating statements present sources and uses of available spendable financial resources during a given period. These funds use fund balance as their measure of available spendable financial resources at the end of the period.
- b. The proprietary fund utilizes an "economic resources" measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. All assets and liabilities (whether current or noncurrent) associated with their activities are reported. Proprietary fund equity is classified as net position.
- c. For purposes of measuring the net pension liability (asset), deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Oklahoma Public Employees Retirement System (OPERS), Oklahoma Firefighters Pension & Retirement System (OFPRS), and Oklahoma Police Pension & Retirement

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

System (OPPRS) and additions to/deductions from OPERS's, OFPRS's, and OPPRS's fiduciary net position have been determined on the same basis as they are reported by OPERS'S, OFPRS, and OPPRS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

- d. For purposes of measuring the net OPEB liability (asset), deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, information about the fiduciary net position of the Oklahoma Public Employees Retirement System (OPERS) and additions to/deductions from OPERS's, fiduciary net position have been determined on the same basis as they are reported by OPERS'S. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Basis of Accounting

In the government-wide Statement of Net Position and Statement of Activities both governmental and business-type activities are presented using the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used. Revenues, expenses, gains, losses, assets, and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place.

In the fund financial statements, governmental funds are presented on the modified accrual basis of accounting. Under this modified accrual basis of accounting, revenues are recognized when "measurable and available". Measurable means knowing or being able to reasonably estimate the amount. Available means collectible within the current period or soon enough thereafter (within 60 days of period end) to pay current liabilities. Expenditures (including capital outlay) are recorded when the related fund liability is incurred, except for general obligation bond principal and interest which are reported when due.

All proprietary funds utilize the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used.

D. Assets, Liabilities, Deferrals and Equity

Cash and Investments

For the purposes of the statements of net position, balance sheets, and statement of cash flows, "cash and cash equivalents" includes all demand and savings accounts, and certificates of deposits or short-term investments with an original maturity of three months or less. Investments of the promissory note trustee accounts are considered cash equivalents.

Investments are carried at fair value except for short-term U.S. Treasury obligations with a remaining maturity at the time of purchase of one year or less. Those investments are reported at amortized cost, which approximates fair value. Fair value is based on quoted market price.

CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022

Receivables

In the government-wide statements, receivables consist of all revenues earned at year-end and not yet received. Allowances for uncollectible accounts receivable are based upon historical trends and the periodic aging of accounts receivable. Major receivable balances for the governmental activities include sales and use taxes, franchise taxes, grants, police fines, and ambulance fees. Business-type activities report utilities as its major receivables.

In the fund financial statements, material receivables in governmental funds include revenue accruals such as sales tax, franchise tax, and grants and other similar intergovernmental revenues since they are usually both measurable and available. Non-exchange transactions collectible but not available are deferred in the fund financial statements in accordance with modified accrual, but not deferred in the government-wide financial statements in accordance with the accrual basis. Interest and investment earnings are recorded when earned only if paid within 60 days since they would be considered both measurable and available. Proprietary fund material receivables consist of all revenues earned at year-end and not yet received. Utility accounts receivable comprise the majority of proprietary fund receivables. Allowances for uncollectible accounts receivable are based upon historical trends and the periodic aging of accounts receivable.

Inventories

Inventories for the component units, the Tahlequah Hospital Authority and Tahlequah Public Works Authority, are valued at lower of cost or market using first-in, first-out. The cost of governmental funds inventories are recorded as expenditures when purchased rather than when consumed because they are immaterial.

Capital Assets

The accounting treatment over property, plant and equipment (capital assets) depends on whether the assets are used in governmental fund operations or proprietary fund operations and whether they are reported in the government-wide or fund financial statements.

Government-Wide Statements

In the government-wide financial statements, all capital assets are valued at historical cost or estimated historical cost if actual is unavailable, except for donated capital assets which are recorded at their estimated fair value at the date of donation. Estimated historical cost was used to value the majority of the assets acquired prior to June 30, 1992.

Depreciation of all exhaustible capital assets is recorded as an allocated expense in the Statement of Activities, with accumulated depreciation reflected in the Statement of Net Position. Depreciation is provided over the assets' estimated useful lives using the straight-line method of depreciation. A capitalization threshold of \$3,000 is used to report capital assets. The range of estimated useful lives by type of asset is as follows:

- Buildings	10-50 years
- Improvements other than buildings	5-10 years
- Machinery, furniture and equipment	5-20 years
- Vehicles	5-20 years
- Infrastructure	5-50 years

CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022

Fund Financial Statements

In the fund financial statements, capital assets used in governmental fund operations are accounted for as capital outlay expenditures of the governmental fund upon acquisition. Capital assets used in proprietary fund operations are accounted for the same as in the government-wide statements.

Restricted Assets

Restricted assets include cash and investments of the proprietary fund that are legally restricted as to their use. The primary restricted assets are related to capital improvement funds and debt related trustee accounts.

Long-Term Debt

The accounting treatment of long-term debt depends on whether the assets are used in governmental fund operations or proprietary fund operations and whether they are reported in the government-wide or fund financial statements.

All long-term debt to be repaid from governmental and business-type resources is reported as liabilities in the government-wide statements. The long-term debt consists of revenue bonds payable, deposits subject to refund and accrued compensated absences.

Long-term debt for governmental funds is not reported as liabilities in the fund financial statements. The debt proceeds are reported as other financing sources and payment of principal and interest reported as expenditures. The accounting for the proprietary funds is the same in the fund statements as it is in the government-wide statements.

Compensated Absences

The City's policies regarding vacation time permit employees to accumulate earned but unused vacation leave. The liability for these compensated absences is recorded as long-term debt in the government-wide statements. The current portion of this debt is estimated based on historical trends. In the fund financial statements, governmental funds report only the compensated absence liability payable from expendable available financial resources, while the proprietary funds report the liability as it is incurred.

Net Position and Fund Balances

Net position is displayed in three components:

- a. Net investment in capital assets – Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.
- b. Restricted net position – Consists of net position with constraints placed on the use either by 1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments, or 2) law through constitutional provisions or enabling legislation.
- c. Unrestricted net position – All other net position that does not meet the definition of “restricted” or “net investment in capital assets.”

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

It is the City's policy to first use restricted net position prior to the use of unrestricted net position when an expense is incurred for purposes for which both restricted and unrestricted net position are available.

Fund Balances:

Governmental fund equity is classified as fund balance. Fund balance is further classified as nonspendable, restricted, committed, assigned, and unassigned. These classifications are defined as:

- a. Nonspendable – includes amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.
- b. Restricted – consists of fund balance with constraints placed on the use of resources either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments, or (2) laws through constitutional provisions or enabling legislation.
- c. Committed – includes amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the city's highest level of decision-making authority. The City's highest level of decision-making authority is made by ordinance.
- d. Assigned – includes amounts that are constrained by the city's intent to be used for specific purposes but are neither restricted nor committed. Assignments of fund balance may be made by city council action or management decision when the city council has delegated that authority. Assignments for transfers and interest income for governmental funds are made through budgetary process.
- e. Unassigned – represents fund balance that has not been assigned to other funds and has not been restricted, committed, or assigned to specific purposes within the general fund.

It is the City's policy to first use restricted fund balance prior to the use of the unrestricted fund balance when an expense is incurred for purposes for which both restricted and unrestricted fund balance are available. The City's policy for the use of unrestricted fund balance amounts require that committed amounts would be reduced first, followed by assigned amounts and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of those unrestricted fund balance classifications could be used.

Proprietary fund equity is classified the same as in the government-wide statements.

E. Revenues, Expenditures, and Expenses

Sales Tax

The City presently levies a three and one-quarter cent sales tax on taxable sales within the City. The sales tax is collected by the Oklahoma Tax Commission and remitted to the City in the month following receipt by the Tax Commission. Two cents of the sales tax is recorded in the General Fund. Three-quarters cent is recorded in the Restricted Sales Tax II Fund to be used to provide revenues to the City to make capital improvements to the streets and other facilities of the City; this is done through transferring resources to the Tahlequah Public Facilities Authority.

Operating Revenues and Expenses

Operating revenues and expenses for proprietary funds are those that result from providing services and producing and delivering goods and/or services. It also includes all revenue and expenses not related to capital and related financing, noncapital financing, or investing activities.

Expenditures/Expenses

In the government-wide financial statements, expenses are classified by function for both governmental and business-type activities.

In the fund financial statements, expenditures are classified as follows:

Governmental Funds - By Character:	Current (further classified by function)
	Debt Service
	Capital Outlay

Proprietary Fund - By Operating and Non-Operating

In the fund financial statements, governmental funds report expenditures of financial resources. Proprietary funds report expenses relating to use of economic resources.

F. Internal and Interfund Balances and Activities

In the process of aggregating the financial information for the government-wide Statement of Net Position and Statement of Activities, some amounts reported as interfund activity and balances in the fund financial statements have been eliminated or reclassified.

Fund Financial Statements:

Interfund activity, if any, within and among the governmental and proprietary fund categories is reported as follows in the fund financial statements:

1. Interfund loans - amounts provided with a requirement for repayment are reported as interfund receivables and payables.
2. Interfund services - sales or purchases of goods and services between funds are reported as revenues and expenditures/expenses.
3. Interfund reimbursements - repayments from funds responsible for certain expenditures/expenses to the funds that initially paid for them are not reported as reimbursements but as adjustments to expenditures/expenses in the respective funds.
4. Interfund transfers - flow of assets from one fund to another where repayment is not expected are reported as transfers in and out.

CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022

Government-Wide Financial Statements:

Interfund activity and balances, if any, are eliminated or reclassified in the government-wide financial statements as follows:

1. Internal balances - amounts reported in the fund financial statements as interfund receivables and payables are eliminated in the governmental and business-type activities columns of the Statement of Net Position, except for the net residual amounts due between governmental and business-type activities, which are reported as Internal Balances.
2. Internal activities - amounts reported as interfund transfers in the fund financial statements are eliminated in the government-wide Statement of Activities except for the net amount of transfers between governmental and business-type activities, which are reported as Transfers - Internal Activities. The effect of interfund services between funds, if any, is not eliminated in the Statement of Activities.

G. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures; accordingly, actual results could differ from those estimates.

2. Cash, Cash Equivalents, and Investments

For the purpose of the statements of net position, balance sheets, and statement of cash flows, cash and cash equivalents includes all demand and savings accounts, certificates of deposit or short-term investments with an original maturity of three-months or less.

At June 30, 2022, the reporting entity held the following deposits and investments:

Primary Government:

<u>Type</u>	<u>Credit Rating</u>	<u>Fair Value Valuation Level</u>	<u>Carrying Value</u>
Deposits:			
Demand deposits			\$ 19,864,971

			<u>\$ 28,972,608</u>

CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022

Custodial Credit Risk

Exposure to custodial credit risk related to deposits exists when the City holds deposits that are uninsured and uncollateralized with securities held by the pledging financial institution, or by its trust department or agent but not in the City's name or collateralized without a written or approved collateral agreement. Exposure to custodial credit risk related to investments exists when the City holds investments that are uninsured and unregistered, with securities held by the counterparty or by its trust department or agent but not in the City's name.

The City's policy as it relates to custodial credit risk is to secure its uninsured deposits with collateral, valued at no more than market value, at least at a level of 110% of the uninsured deposits and accrued interest thereon. At June 30, 2022, the City had no custodial credit risk as described above.

Investment Interest Rate Risk - Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The City has no investment policy that limits investments based on maturity. The City discloses its exposure to interest rate risk by disclosing the maturity dates of its various investments, where applicable. The city weighted average maturity related to Federated Hermes Treasury Obligations is 0.12 years.

Investment Credit Risk

The City has no investment policy that limits its investment choices other than the limitations of state law that generally authorize investments in: (1) full faith and credit, direct obligations of the U. S. Government, its agencies and instrumentalities, and the State of Oklahoma and certain mortgage insured federal debt; (2) certificates of deposit or savings accounts that are either insured or secured with acceptable collateral; (3) negotiable certificates of deposit, prime bankers acceptances, prime commercial paper and repurchase agreements with certain limitations; (4) county, municipal or school district tax supported debt obligations, bond or revenue anticipation notes, money judgments, or bond or revenue anticipation notes of public trusts whose beneficiary is a county, municipality or school district; and government money market funds regulated by the SEC. These investment limitations do not apply to the City's public trusts.

As of June 30, 2022, the City's investments consisted of \$2,434,523 in US Treasury notes and \$5,537,620 of Federated Treasury Obligations with a credit rating of AAAM as rated by Standard and Poor's.

Concentration of Investment Credit Risk

Exposure to concentration of credit risk is considered to exist when investments in any one issuer represent a significant percent of total investments of the City (any over 5% are disclosed). Investments issued or explicitly guaranteed by the U.S. government and investments in mutual funds, external investment pools, and other pooled investments are excluded from this consideration. The City has no investment policy regarding concentration of credit risk.

Fair Value Hierarchy

The City categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

At June 30, 2022, the City had no concentration of credit risk as defined above.

CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022

Restricted Cash and Investments – The amounts reported as restricted assets of the governmental activities statement of net position are comprised of amounts held by the Tahlequah Public Finance Authority (TPFA) for sales tax transfers for debt service payments, amounts held by the trustee bank for debt retirement, and amounts held for capital improvement. The restricted assets as of June 30, 2022 are as follows:

<u>Type of Restricted Assets</u>	Cash including time deposits	
	Governmental Activities	Business-Type Activities
Sales Tax - TPFA	\$ 5,504,731	\$ -

Utility receivable	3,682,096
Other	1,000,245
Total Discretely Presented Component Units	\$ 32,903,221

4. Capital Assets and Depreciation

Capital Assets:

Capital assets consist of land, land improvement, construction in progress, buildings and building improvements, machinery and equipment, infrastructure and intangible leased assets. Capital assets are reported at actual or estimated historical cost. Donated capital assets are recorded at their fair value at the

CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022

date of donation. Intangible leased assets are recorded in an amount equal to the present value of the expected future minimum lease payments to be paid, respectively, discounted by an applicable interest rate and any ancillary cost related to the asset.

For the year ended June 30, 2022, capital assets balances changed as follows:

	Balance at July 1, 2021	Additions	Disposals	Interfund Transfers In (Out)	Balance at June 30, 2022

CMS Advance Payment Program

The CMS Advanced Payment balance consists of advanced payments received from the Centers for Medicare & Medicaid Services (CMS), in order to increase cash flow for Medicare Part A providers who were impacted by the COVID-19 pandemic. The Authority received \$19,952,520 in advanced payments during April 2020, which will be recouped through the Medicare claims processed beginning 365 days after the date of issuance of each advanced payment. This recoupment process will continue until the balance of the advanced payments has been recouped or 29 months from the date each advanced payment was issued, at which point any remaining unpaid balance is due. The advanced payments balance is non-interest bearing through the 29-month repayment period. The remaining portion is expected to be recouped in the next 12 months is included in current liabilities.

Pledge of Future Revenues

Sales Tax Pledge - The City has pledged three fourths of a cent of future sales tax revenues to assist in the repayment of \$24,455,000 of 2013 A & B Series Sales Tax Revenue Bonds, dated May 1, 2013. Proceeds from the note provided financing for capital assets. The bonds are payable from pledged sales tax revenues and are payable through April 1, 2028. The total principal and interest payable for the remainder of the life of these bonds is \$15,472,795. Pledged sales taxes received in the current year were \$3,174,558. Debt service payments of \$2,016,753 for the current fiscal year were 63.5% of the pledged sales taxes.

6. Leases

Lessor

The City as a lessor, has entered into lease agreements involving land for cell towers. The total amount of inflows of resources, including lease revenue and interest revenue recognized during the fiscal year was \$12,057.

Lessee

The City as a lessee, has entered into lease agreements involving sixteen vehicles for the government. As part of these agreements there are variable payments that are not part of the lease recognition. Total variable payments were \$22,466.

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

The future minimum lease payments for the City are as follows:

		<u>Principal</u>		<u>Interest</u>
2023	\$	129,086	\$	3,769
2024		130,071		2,790
2025		131,061		1,795
2026		112,167		849
2027		49,782		118
		<u>\$ 552,167</u>		<u>\$ 9,321</u>

7. Internal and Interfund Balances and Transfers

The City's policy is to eliminate interfund transfers and balances in the statements of activities and net position to avoid the grossing up of balances. Only the residual balances transferred between governmental and business-type activities are reported as internal transfers and internal balances and then offset in the total column in the government-wide statements. Interfund transfers and balances between funds are not eliminated in the fund financial statements.

Transfers:

Internal transfers between funds and activities for the year ended June 30, 2022 were as follows:

<u>Transfer From</u>	<u>Transfer To</u>	<u>Amount</u>	<u>Purpose of Transfer</u>
Restricted Sales Tax II Fund	TPFA	\$ 3,174,558	Restricted Sales Tax
Streets & Sidewalks Fund	General Fund	120,000	Matching Resources
General Fund	Capital Improvement Fund	1,963,879	Capital Improvements
Capital Improvement Fund	Sanitation Fund	48,420	Investment Income
General Fund	Sanitation Fund	115,220	Investment Income
Total		<u>\$ 5,422,077</u>	

Reconciliation to Fund Financial Statements:

	<u>Transfers In</u>	<u>Transfers Out</u>	<u>Net Transfers</u>
Governmental Funds	\$ 5,258,516	\$ (5,422,077)	\$ (163,561)
Proprietary Funds	163,561	(83,435)	80,126
	<u>\$ 5,422,077</u>	<u>\$ (5,505,512)</u>	<u>\$ (83,435)</u>

Reconciliation to Statement of Activities:

Net Transfers	\$ (163,561)
Transfer of business-type activity asset to governmental activity	83,435
Transfers - internal activity	<u>\$ (80,126)</u>

Balances:

Interfund receivable and payables at June 30, 2022 were as follows:

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

<u>Due From</u>	<u>Due To</u>	<u>Amount</u>	<u>Nature of Balance</u>
General Fund	Street and Alley Fund	\$ 2,595	Operating
Restricted Sales Tax II	Tahlequah Public Facilities Authority	267,126	Restricted Sales Tax
General Fund	Sanitation	245,000	Operating
General Fund	Streets and Sidewalks Fund	131,763	Capital Projects
Total		<u>\$ 646,484</u>	

Reconciliation to Fund Financial Statements:

	<u>Due From</u>	<u>Due To</u>	<u>Net Internal Balances</u>
Governmental Funds	\$ 401,484	\$ (646,484)	\$ (245,000)
Proprietary Funds	245,000	-	245,000
Total	<u>\$ 646,484</u>	<u>\$ (646,484)</u>	<u>\$ -</u>

7. Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employee health and life; and natural disasters. The City manages these various risks of loss as follows:

- General Liability and Physical Property – Covered through participation in Oklahoma Municipal Assurance Group risk entity pool
- Worker’s Compensation – Worker’s compensation is covered through participation in the Oklahoma Municipal Assurance Group risk entity pool
- Employee’s Group Medical – Purchased insurance with commercial carrier with no risk retained

8. Interest Rate Swap

The Tahlequah Hospital Authority, discretely presented component unit, entered the interest rate swap agreement in January 2018. The Authority receives a floating rate of 1-month LIBOR, plus 184 basis points, in return for the fixed rate outlined above. The swaps expire January 2028. The objective of the swap is for the Authority to offset the variability of the overall cash flows on its fixed rate debt attributable to changes in market interest rates.

Notional Value			
<u>Original</u>	<u>2022</u>	<u>2021</u>	<u>Interest Paid</u>
15,000,000	11,565,866	12,403,318	4.390%

The change in fair value of the swap is included as deferred outflows of resources in the statement of net position. The fair market value of the swap is determined using quoted market prices based upon observable interest rates and yield curves (Level 2 inputs), and the swap is a liability totaling \$950,110 and \$950,110 at June 30, 2022 and 2021 and was included in noncurrent liabilities.

Credit Risk

The Authority is exposed to credit risk on hedging derivative instruments that are in asset positions. As of June 30, 2022 and 2021, the Authority did not have hedging derivative instruments in asset positions.

Interest Rate Risk

The Authority is exposed to interest rate risk on its interest rate swap. As the LIBOR swap index decreases, the Authority's net payment on the swap increases.

Termination Risk

The Authority or its counterparties may terminate a derivative instrument if the other party fails to perform under the terms of the contract. If at the time of termination, a hedging derivative instrument is in a liability position, the Authority would be liable to the counterparty for a payment equal to the liability, subject to netting arrangements.

Rollover Risk

The Authority is exposed to rollover risk on hedging derivative instruments that are hedges of debt that mature or may be terminated prior to the maturity of the hedged debt. When these hedging derivative instruments terminate, or in the case of a termination option, if the counterparty exercises its option, the Authority will be re-exposed to the risks being hedged by the hedging derivative instrument.

9. Commitments and Contingencies

Litigation:

The City is a party to various legal proceedings which normally occur in the course of governmental operations. The financial statements do not include accruals or provisions for loss contingencies that may result from these proceedings. State statutes provide for the levy of an ad valorem tax over a three-year period by a City Sinking Fund for the payment of any court assessed judgment rendered against the City. While the outcome of the above noted proceedings cannot be predicted, due to the insurance coverage maintained by the City and the State statute relating to judgments, the City feels that any settlement or judgment not covered by insurance would not have a material adverse effect on the financial condition of the City.

Federal and State Award Programs:

The City of Tahlequah participates in various federal and state grant/loan programs from year to year. The grant/loan programs are often subject to additional audits by agents of the granting or loaning agency, the purpose of which is to ensure compliance with the specific conditions of the grant or loan. The City has not been notified of any noncompliance with federal or state award requirements. Any liability for reimbursement which may arise as a result of these audits cannot be reasonably determined at this time, although it is believed the amount, if any, would not be material.

10. Pension Plan Participation

The City of Tahlequah participates in three pension or retirement plans:

- Oklahoma Firefighter's Pension and Retirement System (OFPRS) – a statewide cost-sharing plan
- Oklahoma Police Pension and Retirement System (OPPRS) – a statewide cost-sharing plan
- Oklahoma Public Employees Retirement System (OPERS) – a state-wide cost-sharing plan

**CITY OF TAHLEQUAH, OKLAHOMA

Total	<u>\$ (380,109)</u>	<u>\$ (53,751)</u>	<u>\$ (433,860)</u>

Firefighters’ Plan:

Plan description - The City of Tahlequah, as the employer, participates in the Firefighters Pension & retirement—a cost-sharing multiple-employer defined benefit pension plan administered by the Oklahoma Firefighters Pension & Retirement System (FPRS). Title 11 of the Oklahoma State Statutes grants the authority to establish and amend the benefit terms to the FPRS. FPRS issues a publicly available financial report that can be obtained at www.ok.gov/fprs

Benefits provided - FPRS provides defined retirement benefits based on members’ final average compensation, age, and term of service. In addition, the retirement program provides for benefits upon disability and to survivors upon death of eligible members. The Plan’s benefits are established and amended by Oklahoma statute. Retirement provisions are as follows:

Normal Retirement:

- Hired Prior to November 1, 2013
Normal retirement is attained upon completing 20 years of service. The normal retirement benefit is equal to 50% of the member’s final average compensation. Final average compensation is defined as the monthly average of the highest 30 consecutive months of the last 60 months of participating service. For volunteer firefighters, the monthly pension benefit for normal retirement is \$150.60 per month.
- Hired After November 1, 2013

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

Normal retirement is attained upon completing 22 years of service. The normal retirement benefit is equal to 55% of the member's final average compensation. Final average compensation is defined as the monthly average of the highest 30 consecutive months of the last 60 months of participating service. Also participants must be age 50 to begin receiving benefits. For volunteer firefighters, the monthly pension benefit for normal retirement is \$165.66 per month.

All firefighters are eligible for immediate disability benefits. For paid firefighters, the disability in-the-line-of-duty benefit for firefighters with less than 20 years of service is equal to 50% of final average monthly compensation, based on the most recent 30 months of service. For firefighters with over 20 years of service, a disability in the line of duty is calculated based on 2.5% of final average monthly compensation, based on the most recent 30 months, per year of service, with a maximum of 30 years of service. For disabilities not in the line of duty, the benefit is limited to only those with less than 20 years of service and is 50% of final average monthly compensation, based on the most recent 60-month salary as opposed to 30 months. For volunteer firefighters, the not-in-the-line-of-duty disability is also limited to only those with less than 20 years of service and is \$7.53 per year of service. For volunteer firefighters, the in-the-line-of-duty pension is \$150.60 with less than 20 years of service or \$7.53 per year of service, with a maximum of 30 years.

A \$5,000 lump sum death benefit is payable to the qualified spouse or designated recipient upon the participant's death. The \$5,000 death benefit does not apply to members electing the vested benefit.

Contributions - The contributions requirements of the Plan are at an established rate determined by Oklahoma Statute and are not based on actuarial calculations. Employees are required to contribute 9% percent of their annual pay. Participating cities are required to contribute 14% of the employees' annual pay. Contributions to the pension plan from the City were \$149,364. The State of Oklahoma also made on-behalf contributions to FPRS in the amount of \$201,874 (modified-accrual); these on-behalf payments did not meet the criteria of a special funding situation. For full-accrual reporting the amount of on-behalf payments made were \$274,139.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions - At June 30, 2022, the City reported a liability of \$1,823,096 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2021. The City's proportion of the net pension liability was based on the City's contributions received by the pension plan relative to the total contributions received by the pension plan for all participating employers as of June 30, 2021. Based upon this information, the City's proportion was 0.276828%.

For the year ended June 30, 2022, the City recognized pension expense of \$51,504. At June 30, 2022, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 661,196	\$ 32,017
Changes of assumptions	-	40,436
Net difference between projected and actual earnings on pension plan investments	-	1,449,283
Changes in proportion	92,102	4,226
City contributions during measurement date	24	4,738
City contributions subsequent to the measurement date	149,364	-
Total	<u>\$ 902,686</u>	<u>\$ 1,530,700</u>

The \$149,364 reported as deferred outflows of resources related to pensions resulting from City contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year-ended June 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year ended June 30:

2023	\$ (87,673)
2024	(143,441)
2025	(201,926)
2026	<u>(344,338)</u>
Total	<u>\$ (777,378)</u>

Actuarial Assumptions- The total pension liability was determined by an actuarial valuation as of July 1, 2021, using the following actuarial assumptions, applied to all prior periods included in the measurement:

Inflation:	2.75%
Salary increases:	2.75% to 10.5% average, including inflation
Investment rate of return:	7.5% net of pension plan investment expense

Mortality rates were based on the Pub-2010 Public Safety Table, with adjustments for generational mortality improvement using scale MP-2018 for healthy lives and no mortality improvement for disabled lives.

The actuarial assumptions used in the July 1, 2021, valuation were based on the results of an actuarial experience study for the period July 1, 2013, to June 30, 2018.

The long-term expected rate of return on pension plan investments was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense, and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of June 30, 2021, are summarized in the following table:

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Fixed income	20%	3.53%
Domestic equity	47%	5.73%
International equity	15%	8.50%
Real estate	10%	7.97%
Other assets	8%	4.73%

Discount Rate-The discount rate used to measure the total pension liability was 7.5%. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current contribution rate and that contributions from employers will be made at contractually required rates, determined by State statutes. Projected cash flows also assume the State of Oklahoma will continue contributing 36% of the insurance premium, as established by statute. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Net Pension Liability to Changes in the Discount Rate-The following presents the net pension liability of the employers calculated using the discount rate of 7.5%, as well as what the Plan's net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower (6.5%) or 1-percentage-point higher (8.5%) than the current rate:

	1% Decrease 6.5%	Current Discount Rate 7.5%	1% Increase 8.5%
Employers' net pension liability	\$ 2,848,965	\$ 1,823,096	\$ 964,234

Pension plan fiduciary net position - Detailed information about the pension plan's fiduciary net position is available in the separately issued financial report of the FPRS; which can be located at www.ok.gov/fprs.

Police Plan:

Plan description-The City of Tahlequah, as the employer, participates in the Oklahoma Police Pension and Retirement Plan—a cost-sharing multiple-employer defined benefit pension plan administered by the Oklahoma Police Pension and Retirement System (OPPRS). Title 11 of the Oklahoma State Statutes, through the Oklahoma Legislature, grants the authority to establish and amend the benefit terms to the OPPRS. OPPRS issues a publicly available financial report that can be obtained at www.ok.gov/OPPRS.

Benefits provided-OPPRS provides retirement, disability, and death benefits to members of the plan. The normal retirement date under the Plan is the date upon which the participant completes 20 years of credited service, regardless of age. Participants become vested upon completing 10 years of credited service as a contributing participant of the Plan. No vesting occurs prior to completing 10 years of credited service. Participants' contributions are refundable, without interest, upon termination prior to normal retirement. Participants who have completed 10 years of credited service may elect a vested benefit in lieu of having their accumulated contributions refunded. If the vested benefit is elected, the participant is entitled to a monthly retirement benefit commencing on the date the participant reaches 50

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

years of age or the date the participant would have had 20 years of credited service had employment continued uninterrupted, whichever is later.

Monthly retirement benefits are calculated at 2.5% of the final average salary (defined as the average paid base salary of the officer over the highest 30 consecutive months of the last 60 months of credited service) multiplied by the years of credited service, with a maximum of 30 years of credited service considered.

Monthly benefits for participants due to permanent disability incurred in the line of duty are 2.5% of the participants' final average salary multiplied by 20 years. This disability benefit is reduced by stated percentages for partial disability based on the percentage of impairment. After 10 years of credited service, participants who retire due to disability incurred from any cause are eligible for a monthly benefit based on 2.5% of their final average salary multiplied by the years of service. This disability benefit is also reduced by stated percentages for partial disability based on the percentage of impairment. Effective July 1, 1998, once a disability benefit is granted to a participant, that participant is no longer allowed to apply for an increase in the dollar amount of the benefit at a subsequent date.

Survivor's benefits are payable in full to the participant's beneficiary upon the death of a retired participant. The beneficiary of any active participant killed in the line of duty is entitled to a pension benefit.

Contributions -The contributions requirements of the Plan are at an established rate determined by Oklahoma Statute and are not based on actuarial calculations. Employees are required to contribute 8% percent of their annual pay. Participating cities are required to contribute 13% of the employees' annual pay. Contributions to the pension plan from the City were \$263,554. The State of Oklahoma also made on-behalf contributions to OPPRS in the amount of \$155,367 during the calendar year and this is reported, as both expense and revenue in the General Fund Statement of Revenues, Expenditures, and Changes in Fund Balance. In the government-wide Statement of Activities, revenue is recognized for the state's on-behalf contributions on an accrual basis of \$234,721. These on-behalf payments did not meet the criteria of a special funding situation.

Pension Liabilities(Assets), Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions - At June 30, 2022, the City reported an asset of (\$2,627,323) for its proportionate share of the net pension asset. The net pension asset was measured as of June 30, 2021, and the total pension liability used to calculate the net pension asset was determined by an actuarial valuation as of July 1, 2021. The City's proportion of the net pension asset was based on the City's contributions received by the pension plan relative to the total contributions received by pension plan for all participating employers as of June 30, 2021. Based upon this information, the City's proportion was 0.54768%.

For the year ended June 30, 2022, the City recognized pension expense (benefit) of (\$270,096). At June 30, 2022, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 37,722	\$ 103,700
Changes of assumptions	39,953	-
Net difference between projected and actual earnings on pension plan investments	-	1,916,541
Changes in proportion	2,071	15,017
City contributions during measurement date	3,523	9,133
City contributions subsequent to the measurement date	263,554	-
Total	<u>\$ 346,823</u>	<u>\$ 2,044,391</u>

The \$263,554 reported as deferred outflows of resources related to pensions resulting from City contributions subsequent to the measurement date will be recognized as an increase or decrease of the net pension liability (asset) in the year ended June 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year ended June 30:	
2023	\$ (446,273)
2024	(391,273)
2025	(489,441)
2026	(639,171)
2027	5,036
	<u>\$ (1,961,122)</u>

Actuarial Assumptions-The total pension liability was determined by an actuarial valuation as of July 1, 2021, using the following actuarial assumptions, applied to all prior periods included in the measurement:

Inflation:	2.75%
Salary increases:	3.5% to 12% average, including inflation
Investment rate of return:	7.5% net of pension plan investment expense
Cost-of-living adjustments:	Police officers eligible to receive increased benefits according to repealed Section 50-120 of Title 11 of the Oklahoma Statutes pursuant to a court order receive an adjustment of 1/3 to 1/2 of the increase or decrease of any adjustment to the base salary of a regular police officer, based on an increase in base salary of 3.5% (wage inflation).
Mortality rates:	Active employees (pre-retirement) RP-2000 Blue Collar Healthy Combined table with age set back 4 years with fully generational improvement using Scale AA.

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

Active employees (post-retirement) and nondisabled pensioners: RP-2000 Blue Collar Healthy Combined table with fully generational improvement using scale AA.

Disabled pensioners RP-2000 Blue Collar Healthy Combined table with age set forward 4 years.

The actuarial assumptions used in the July 1, 2021, valuation were based on the results of an actuarial experience study for the period July 1, 2012, to June 30, 2017.

The long-term expected rate of return on pension plan investments was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense, and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of June 30, 2021, are summarized in the following table:

<u>Asset Class</u>	<u>Long-Term Expected Real Rate of Return</u>
Fixed income	3.22%
Domestic equity	4.55%
International equity	8.50%
Real estate	7.97%
Private Equity	9.36%

The current allocation policy is that approximately 60% of assets in equity instruments, including public equity, long-short hedge, venture capital, and private equity strategies; approximately 25% of assets in fixed income to include investment grade bonds, high yield and non-dollar denominated bonds, convertible bonds, and low volatility hedge fund strategies; and 15% of assets in real assets to include real estate, commodities, and other strategies.

Discount Rate-The discount rate used to measure the total pension liability was 7.5%. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current contribution rate and that contributions from employers will be made at contractually required rates, determined by State statutes. Projected cash flows also assume the State of Oklahoma will continue contributing 14% of the insurance premium, as established by statute. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Net Pension Liability (Asset) to Changes in the Discount Rate-The following presents the net pension liability (asset) of the employers calculated using the discount rate of 7.5%, as well as what the Plan's net pension liability (asset) would be if it were calculated using a discount rate that is 1-percentage point lower (6.5%) or 1-percentage-point higher (8.5%) than the current rate:

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

	1% Decrease 6.5%	Current Discount Rate 7.5%	1% Increase 8.5%
Employers' net pension liability (asset)	\$ (985,326)	\$ (2,627,323)	\$(4,015,755)

Pension plan fiduciary net position-Detailed information about the pension plan’s fiduciary net position is available in the separately issued financial report of the OPPRS; which can be located at www.ok.gov/OPPRS.

Oklahoma Public Employees Retirement System:

Plan description - The City of Tahlequah, as the employer, participates in Oklahoma Public Employees Retirement Plan —a cost-sharing multiple-employer defined benefit pension plan administered by the Oklahoma Public Employees Retirement System (OPERS). Title 74 of the Oklahoma State Statutes grants the authority to establish and amend the benefit terms to the OPERS. OPERS issues a publicly available financial report that can be obtained at www.opers.ok.gov.

Benefits provided - OPERS provides retirement, disability, and death benefits to members of the plan. Members qualify for full retirement benefits at their specified normal retirement age or, for any person who became a member prior to July 1, 1992, when the sum of the member’s age and years of credited service equals or exceeds 80 (Rule of 80), and for any person who became a member after June 30, 1992, when the member’s age and years of credited service equals or exceeds 90 (Rule of 90).

Normal retirement date is further qualified to require that all members employed on or after January 1, 1983 must have six or more years of full-time equivalent employment with a participating employer before being eligible to receive benefits. Credited service is the sum of participating and prior service. Prior service includes nonparticipating service before January 1, 1975, or the entry date of the employer and active wartime military service.

A member with a minimum of ten years of participating service may elect early retirement with reduced benefits beginning at age 55 if the participant became a member prior to November 1, 2011, or age 60 if the participant became a member on or after November 1, 2011.

Benefits are calculated for each member category as follows:

- Employees
 - Benefits are determined at 2% of the average annual salary received during the highest thirty-six months of the last ten years of participating service, but not to exceed the applicable annual salary cap, multiplied by the number of years of credited service. Members who join OPERS on or after July 1, 2013, will have their salary averaged over the highest 60 months of the last ten years. Normal retirement age under the Plan is 62 or Rule of 80/90 if the participant became a member prior to November 1, 2011, or age 65 or Rule of 90 if the participant became a member on or after November 1, 2011.

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

- Members who elect to pay the additional contribution rate, which became available in January 2004, will receive benefits using a 2.5% computation factor for each full year the additional contributions are made. In 2004, legislation was enacted to provide an increased benefit to retiring members who were not yet eligible for Medicare. The Medicare Gap benefit option became available to members under age 65 who retired on or after May 1, 2006. Members may elect to receive a temporary increased benefit to cover the cost of health insurance premiums until the member is eligible to receive Medicare. After the member becomes eligible for Medicare, the retirement benefit will be permanently reduced by an actuarially determined amount. The option is irrevocable, must be chosen prior to retirement, and is structured to have a neutral actuarial cost to the Plan.
- Members become eligible to vest fully upon termination of employment after attaining eight years of credited service, or the members' contributions may be withdrawn upon termination of employment.

Disability retirement benefits are available for members having eight years of credited service whose disability status has been certified as being within one year of the last day on the job by the Social Security Administration. Disability retirement benefits are determined in the same manner as retirement benefits, but payable immediately without an actuarial reduction.

Upon the death of an active member, the accumulated contributions of the member are paid to the member's named beneficiary(ies) in a single lump sum payment. If a retired member elected a joint annuitant survivor option or an active member was eligible to retire with either reduced or unreduced benefits or eligible to vest the retirement benefit at the time of death, benefits can be paid in monthly payments over the life of the spouse if the spouse so elects.

Upon the death of a retired member, the Plan will pay a \$5,000 death benefit to the member's beneficiary or estate of the member if there is no living beneficiary. The death benefit will be paid in addition to any excess employee contributions or survivor benefits due to the beneficiary.

Contributions - The contribution rates for each member category of the Plan are established by the Oklahoma Legislature after recommendation by the Board based on an actuarial calculation, which is performed to determine the adequacy of such contribution rates. Employees are required to contribute 7.5% percent of their annual pay. Participating entities are required to contribute 12.5% of the employees' annual pay. A portion of the contributions received by OPERS are allocated to the Supplemental Health Insurance program; see Note 10. Contributions to the pension plan from the City were \$473,234.

Pension Liabilities(Assets), Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions - At June 30, 2022, the City reported an asset of (\$2,176,325) for its proportionate share of the net pension asset. The net pension asset was measured as of June 30, 2021, and the total pension liability used to calculate the net pension asset was determined by an actuarial valuation as of July 1, 2021. The City's proportion of the net pension asset was based on the City's contributions received by the pension plan relative to the total contributions received by pension plan for all participating employers as of June 30, 2021. Based upon this information, the City's proportion was 0.162151%.

For the year ended June 30, 2022, the City recognized pension expense (benefit) of (\$215,268). At June 30, 2022, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ -	\$ 54,722
Changes of assumptions	160,363	-
Net difference between projected and actual earnings on pension plan investments	-	2,427,000
Changes in proportion	38,488	92,871
City contributions during measurement date	25,614	20,485
City contributions subsequent to the measurement date	473,234	-
Total	<u>\$ 697,699</u>	<u>\$ 2,595,078</u>

The \$473,234 reported as deferred outflows of resources related to pensions resulting from City contributions subsequent to the measurement date will be recognized as an increase to or reduction of the net pension liability (asset) in the year ended June 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year ended June 30:

2023	\$ (517,008)
2024	(590,591)
2025	(594,913)
2026	<u>(668,101)</u>
	<u>\$ (2,370,613)</u>

Actuarial Assumptions- The total pension liability as of June 30, 2022, was determined based on an actuarial valuation prepared as of July 1, 2021, using the following actuarial assumptions:

- Investment return – 6.5% compounded annually net of investment expense and including inflation
- Salary increases – 3.25% to 9.25% per year including inflation
- Mortality rates – Pub-2010 Below Media, General Membership Active/Retiree Healthy Mortality Table with base rates projected to 2030 using Scale MP-2019 Male rates are set back one year, and female rates are set forward one year.
- No annual post-retirement benefit increases
- Assumed inflation rate – 2.50%
- Payroll growth – 3.25% per year
- Actuarial cost method – Entry age
- Select period for the termination of employment assumptions – 10 years

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

The actuarial assumptions used in the July 1, 2021, valuation are based on the results of the most recent actuarial experience study, which cover the three-year period ending June 30, 2019. The experience study report is dated May 13, 2020.

The long-term expected rate of return on pension plan investments was determined using a log-normal distribution analysis in which best estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

The Target asset allocation and best estimates of geometric real rates of return for each major asset class as of June 30, 2021, are summarized in the following table:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
U.S. Large Cap Equity	34.0%	4.7%
U.S. Small Cap Equity	6.0%	5.8%
Int'l Developed Equity	23.0%	6.5%
Emerging Market Equity	5.0%	8.5%
Core Fixed Income	25.0%	0.5%
Long Term Treasuries	3.5%	0.0%
U.S. TIPS	3.5%	0.3%
Total	<u>100.0%</u>	

Discount Rate- The discount rate used to measure the total pension liability was 6.50%. The projection of cash flows used to determine the discount rate assumed that contributions from plan members and the employers will be made at the current contribution rate as set out in state statute. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability. The discount rate determined does not use a municipal bond rate.

Sensitivity of the Net Pension Liability (Asset) to Changes in the Discount Rate-The following presents the net pension liability (asset) of the employers calculated using the discount rate of 6.50%, as well as what the Plan's net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower (5.50%) or 1-percentage-point higher (7.50%) than the current rate:

	1% Decrease Rate 5.50%	Current Discount Rate 6.50%	1% Increase Rate 7.50%
Net Pension Liability (Asset)	\$ (202,045)	\$ (2,176,325)	\$ (4,428,801)

Pension plan fiduciary net position - Detailed information about the pension plan's fiduciary net position is available in the separately issued financial report of the OPERS; which can be located at www.opers.ok.gov.

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

10. Other Postemployment Benefits Plan

Plan description - The City of Tahlequah, as the employer, participates in the Supplemental Health Insurance Program—a cost-sharing multiple-employer defined benefit OPEB plan administered by the Oklahoma Public Employees Retirement System (OPERS). The authority to establish and amend benefit provisions rests with the State Legislature. OPERS issues a publicly available financial report that can be obtained at www.ok.gov/OPERS

Benefits provided - OPERS pays a medical insurance supplement to eligible members who elect to maintain health insurance with the Oklahoma Employees Group Insurance Division (EGID) or other qualified insurance plan provided by the employer. This subsidy continues until the retiree terminates health insurance coverage with EGID or other qualified plan, or until death. The subsidy is only for the retiree, not joint annuitants or beneficiaries. The supplement payment is capped at \$105 per month per retiree, remitted to the (insurance provider or entity).

Contributions - The contribution rates for each member category of the System are established by the Oklahoma Legislature after recommendation by the Board based on an actuarial calculation, which is performed to determine the adequacy of such contribution rates. An actuarially determined portion of the total contributions to the System are set aside to finance the cost of the benefits of the HISP in accordance with provisions of the Internal Revenue Code. Based on the contribution requirements of the plan employers and employees contribute a single amount based on a single contribution rate as described in Note (pension note number); from this amount OPERS allocates a portion of the contributions to the supplemental health insurance program. Contributions allocated to the OPEB plan from the City were \$30,442.

OPEB Liabilities (Asset), OPEB Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB - At June 30, 2022, the City reported an asset of (\$222,930) for its proportionate share of the net OPEB asset. The net OPEB asset was measured as of June 30, 2021, and the total OPEB liability used to calculate the net OPEB asset was determined by an actuarial valuation as of June 30, 2021. The City’s proportion of the net OPEB asset was based on the City’s contributions received by the OPEB plan relative to the total contributions received by the OPEB plan for all participating employers as of June 30, 2021. Based upon this information, the City’s proportion was .16215%.

For the year ended June 30, 2022, the City recognized OPEB expense (benefit) of (\$25,305). At June 30, 2022, the City reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ -	\$ 72,266
Changes of assumptions	19,821	-
Net difference between projected and actual earnings on OPEB plan investments	-	63,475
Changes in proportion	11,488	3,861
City contributions during to the measurement date	5,248	1,823
City contributions subsequent to the measurement date	30,442	-
Total	\$ 66,999	\$ 141,425

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

The \$30,442 reported as deferred outflows of resources related to OPEB resulting from City contributions subsequent to the measurement date will be recognized as a reduction or addition to of the net OPEB liability or asset in the year ended June 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

Year ended June 30:

2023	\$ (27,664)
2024	(25,614)
2025	(24,890)
2026	(23,397)
2027	(3,303)
Thereafter	-
	<u>\$ (104,868)</u>

Actuarial Assumptions- The total OPEB liability as of June 30, 2022, was determined based on an actuarial valuation prepared as if June 30, 2021 using the following actuarial assumptions:

- Investment return – 6.50 % compounded annually net of investment expense and including inflation
- Salary increases – 3.25% to 9.25% per year including inflation
- Mortality rates – Pub-2010 Below Media, General Membership Active/Retiree
Healthy Mortality Table with base rates projected to 2030 using Scale MP-2019. Male rates are set back one year, and female rates are set forward one year. • No annual post-retirement benefit increases
- Assumed inflation rate – 2.50%
- Payroll growth – 3.25%
- Actuarial cost method – Entry age
- Select period for the termination of employment assumptions – 10 years

The actuarial assumptions used in the July 1, 2021, valuation are based on the results of the most recent actuarial experience study, which covered the three-year period ending June 30, 2019. The experience study report is dated May 13, 2020.

The long-term expected rate of return on pension plan investments was determined using a log-normal distribution analysis in which best estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

The Target asset allocation and best estimates of geometric real rates of return for each major asset class as of June 30, 2021, are summarized in the following table:

**CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022**

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
U.S. Large Cap Equity	34.0%	4.7%
U.S. Small Cap Equity	6.0%	5.8%
Int's Developed Equity	23.0%	6.5%
Emerging Market Equity	5.0%	8.5%
Core Fixed Income	25.0%	0.5%
Long Term Treasuries	3.5%	0.0%
U.S. TIPS	3.5%	0.3%
Total	<u>100.0%</u>	

Discount Rate- A single discount rate of 6.50% was used to measure the total OPEB liability as of June 30, 2021. This single discount rate was based solely on the expected rate of return on OPEB plan investments of 7.00%. Based on the stated assumptions and the projection of cash flows, the OPEB plan's fiduciary net position and future contributions were projected to be available to finance all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on OPEB plan investments was applied to all periods of projected benefit payments to determine the total OPEB liability.

Sensitivity of the Net OPEB Liability (Asset) to Changes in the Discount Rate-The following presents the net OPEB liability (asset) of the employer calculated using the discount rate of 6.50%, as well as what the Plan's net OPEB liability (asset) would be if it were calculated using a discount rate that is 1-percentage point lower (5.50%) or 1-percentage-point higher (7.50%) than the current rate:

	<u>1% Decrease 6.00%</u>	<u>Current Discount Rate 7.00%</u>	<u>1% Increase 8.00%</u>
Net Pension Liability (Asset)	\$ (167,631)	\$ (222,930)	\$ (270,328)

OPEB plan fiduciary net position - Detailed information about the OPEB plan's fiduciary net position is available in the separately issued financial report of the OPERS; which can be located at www.ok.gov/OPERS.

CITY OF TAHLEQUAH, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Fiscal Year Ended June 30, 2022

Footnotes to Budgetary Comparison Schedules:

1. The budgetary comparison schedule is reported on a cash basis that reports expected cash expenditures by program within a fund and estimated cash receipts by source for all funds.
2. The legal level of appropriation control is the department level within a fund. Transfers of appropriation within line items and object categories within a department may be made by the City Administrator, however, transfers of appropriations between departments require the approval of the City Council. All supplemental appropriations require the approval of the City Council. Supplemental appropriations must be filed with the Office of the State Auditor and Inspector.
3. The budgetary basis differs from the modified accrual (GAAP) basis as shown in the schedule below:

General Fund:

Total budgetary revenues and transfers	\$ 11,522,285
Less: budgetary expenses and transfers	<u>(11,365,123)</u>
Net Change to Budgetary Fund Balance	157,162
Change in revenue accruals	454,922
Change in expenditure accruals	(819,435)
General Fund sub-accounts changes in balance	<u>(598,237)</u>
Change in Fund Balance- Modified Accrual	<u><u>\$ (805,588)</u></u>

Restricted Sales Tax Fund II:

Total budgetary revenues and transfers	\$ 3,163,985
Less: budgetary expenses and transfers	<u>(3,163,985)</u>
Net Change to Budgetary Fund Balance	-
Change in revenue accruals	10,573
Change in expenditure accruals	<u>(10,573)</u>
Change in Fund Balance- Modified Accrual	<u><u>\$ -</u></u>

INTERNAL CONTROL AND COMPLIANCE INFORMATION

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Honorable Mayor and City Council
City of Tahlequah, Oklahoma

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of City of Tahlequah, Oklahoma (the "City"), as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise City's basic financial statements, and have issued our report thereon dated May 19, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify certain deficiencies in internal control, described in a separate report, that we consider to be control deficiencies.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Edmond, Oklahoma
