We have compiled the accompanying Summary of Changes in Fund Balances of the Town of Arnett, Oklahoma and Arnett Public Facilities Authority as of and for the fiscal year ended June 30, 2013, and the related Budgetary Comparison Schedule of the General Fund - Cash Basis, Statement of Revenues, Expenses and Changes in Fund Net Assets of the Proprietary Fund, and the Statement of Reserved Cash in Bank and Investments of the Proprietary Fund as of and for the fiscal year ended June 30, 2013, included in the accompanying prescribed form. We have not audited or reviewed the prescribed financial statements and, accordingly, do not express an opinion or provide any assurance about whether the prescribed financial statements are in accordance with the basis of accounting prescribed by Oklahoma Statutes, that demonstrates compliance with the cash basis and budget laws of the State of Oklahoma, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

The management of the Town of Arnett, Oklahoma and Arnett Public Facilities Authority is responsible for the preparation and fair presentation of the prescribed financial statements in accordance with the basis of accounting prescribed by Oklahoma Statutes, that demonstrates compliance with the cash basis and budget laws of the State of Oklahoma, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America, and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the prescribed financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements and supporting information as prescribed by Oklahoma Statutes that is the representation of management without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the prescribed financial statements.

These prescribed financial statements have been prepared in a format and basis of accounting, as prescribed by Oklahoma Statutes, that demonstrates compliance with the cash basis and budget laws of the State of Oklahoma, which differ from accounting principles generally accepted in the United States of America. Accordingly, these prescribed forms are not designed for those who are not informed about such differences.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared on the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Town's assets, liabilities, equity, revenues and expenses. Accordingly, these financial statements are not designed for those who are not informed about such matters.

Additionally, we have performed the procedures enumerated below which were agreed to by the specified users of the report, as identified above, and as defined within the applicable state laws of the State of Oklahoma solely to assist the Town and Arnett Public Facilities Authority in meeting their financial accountability requirements as prescribed by Oklahoma Statutes §11-17 (105-107) and §60-180.1-3 and evaluating compliance with specified legal or contractual requirements for the fiscal year ended June 30, 2013. The sufficiency of the procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Procedures and Findings

As to the Town of Arnett, Oklahoma as of and for the fiscal year ended June 30, 2013:

1. Procedures Performed: From the Town's trial balances, we prepared a schedule of changes in fund balances for each fund (See accompanying Exhibit 1-00) and compared the schedule results to the statutory prohibition of creating fund balance deficits to report any noted instances of noncompliance.

Findings: No instances noted.

2. Procedures Performed: From the Town's trial balances, we prepared a budget and actual financial schedule for the General Fund and any other significant funds listing separately each federal fund (See accompanying Exhibit 2-00) and compared the actual expenditures and encumbrances reported to the authorized appropriations to report any noted instances of noncompliance with the appropriation limitations.

Findings: At June 30, 2013, the General Fund exceeded total budgeted appropriations by \$66,654.07. The Town must continually monitor their expenses and compare them to budgeted appropriations to ensure budgeted appropriations are not exceeded. When it appears the expenses may exceed the budget, a supplemental appropriation can be made if the additional funds are available to help keep the Town from overexpending their budget.
