We have compiled the accompanying Summary of Changes in Fund Balances of the Town of Butler, Oklahoma, Butler Public Works Authority, and Frontier Development Authority as of and for the fiscal year ended June 30, 2015, and the related Budgetary Comparison Schedule of the General Fund - Cash Basis, Statement of Revenues, Expenses and Changes in Fund Net Assets of Butler Public Works Authority and Frontier Development Authority, and the Statement of Reserved Cash in Bank and Investments of Butler Public Works Authority and Frontier Development Authority as of and for the fiscal year ended June 30, 2015, included in the accompanying prescribed form. We have not audited or reviewed the prescribed financial statements and, accordingly, do not express an opinion or provide any assurance about whether the prescribed financial statements are in accordance with the basis of accounting prescribed by Oklahoma Statutes, that demonstrates compliance with the cash basis and budget laws of the State of Oklahoma, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

The management of the Town of Butler, Oklahoma, Butler Public Works Authority, and Frontier Development Authority is responsible for the preparation and fair presentation of the prescribed financial statements in accordance with the basis of accounting prescribed by Oklahoma Statutes, that demonstrates compliance with the cash basis and budget laws of the State of Oklahoma, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America, and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the prescribed financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements and supporting information as prescribed by Oklahoma Statutes that is the representation of management without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the prescribed financial statements.

These prescribed financial statements have been prepared in a format and basis of accounting, as prescribed by Oklahoma Statutes, that demonstrates compliance with the cash basis and budget laws of the State of Oklahoma, which differ from accounting principles generally accepted in the United States of America. Accordingly, these prescribed forms are not designed for those who are not informed about such differences.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared on the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Town's assets, liabilities, equity, revenues and expenses. Accordingly, these financial statements are not designed for those who are not informed about such matters.

Additionally, we have performed the procedures enumerated below which were agreed to by the specified users of the report, as identified above, and as defined within the applicable state laws of the State of Oklahoma solely to assist the Town, Butler Public Works Authority, and Frontier Development Authority in meeting their financial accountability requirements as prescribed by Oklahoma Statutes §11-17 (105-107) and §60-180.1-3 and evaluating compliance with specified legal or contractual requirements for the fiscal year ended June 30, 2015. Management of the Town of Butler is responsible for the Town's financial accountability and its compliance with those legal and contractual requirements. This agreed-upon procedures engagement was conducted in accordance with the attestation standards established by the American Institute of Certified Public Accountants and the additional requirements prescribed in Oklahoma Statutes §11-17 (105-107) and §60-180.1-3. The sufficiency of the procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

## Procedures and Findings

As to the Town of Butler, Oklahoma as of and for the fiscal year ended June 30, 2015:

1. Procedures Performed: From the Town's trial balances, we prepared a schedule of changes in fund balances for each fund (See accompanying Exhibit 1-00) and compared the schedule results to the statutory prohibition of creating fund balance deficits to report any noted instances of noncompliance.

Findings: No instances noted.

2. Procedures Performed: From the Town's trial balances, we prepared a budget and actual financial schedule for the General Fund and any other significant funds listing separately each federal fund (See accompanying Exhibit 2-00) and compared the actual expenditures and encumbrances reported to the authorized appropriations to report any noted instances of noncompliance with the appropriation limitations.

Findings: No instances noted.

3. Procedures Performed: We agreed the Town's material bank account balances to bank statements, and traced the timely clearance of significant reconciling items to report any significant or unusual instances of reconciling items that have not cleared.

Findings: No instances noted.

4. Procedures Performed: We compared the Town's uninsured deposits to fair value of pledged collateral to report any amounts of uninsured and uncollateralized deposits.

Findings: No instances noted.

5. Procedures Performed: We compared use of material-restricted revenues and resources to their restrictions to report any noted instances of noncompliance.

Findings: No instances noted.

6. Procedures Performed: We compared the accounting for the Town's activities by fund to the legal and contractual requirements for separate funds to report any noted instances of noncompliance.

Findings: No instances noted.

7. Procedures Performed: We compared the Town's account balances in reserve accounts to contractually required balances and debt service coverage requirements of bond indentures to the actual coverage to report any noted instances of noncompliance.

Findings: No instances noted.

As to the Butler Public Works Authority as of and for the fiscal year ended June 30, 2015:

1. Procedures Performed: From the Authority's trial balances, we prepared a schedule of revenues, expenditures/expenses and changes in fund balances/net assets for each fund (See accompanying Exhibit 3-00) and compared the schedule results to the applicable trust prohibitions for creating fund balance deficits to report any noted instances of noncompliance.

Findings: No instances noted.

2. Procedures Performed: We agreed the Authority's material bank account balances to bank statements, and traced the timely clearance of significant reconciling items to report any significant or unusual instances of reconciling items that have not cleared.

Findings: No instances noted.

3. Procedures Performed: We compared the Authority's uninsured deposits to fair value of pledged collateral to report any amounts of uninsured and uncollateralized deposits.

Findings: No instances noted.

4. Procedures Performed: We compared the Authority's use of material-restricted revenues and resources to their restrictions to report any noted instances of noncompliance.

Findings: We noted where the Authority was not properly reconciling their meter deposit list with the corresponding meter deposit bank account. The meter deposit list should be reconciled with the corresponding meter deposit bank account on at least a monthly basis to ensure the meter deposits are being properly accounted for in the Authority's accounting records.

5. Procedures Performed: We compared the accounting for the Authority's activities by fund to the legal and contractual requirements for separate funds to report any noted instances of noncompliance.

Findings: No instances noted.

6. Procedures Performed: We compared the Authority's account balances in reserve accounts to contractually required balances and debt service coverage requirements of bond indentures to the actual coverage to report any noted instances of noncompliance. (See accompanying Exhibit 5-00).

Findings: No instances noted.

As to the Frontier Development Authority as of and for the fiscal year ended June 30, 2015:

1. Procedures Performed: From the Authority's trial balances, we prepared a schedule of revenues, expenditures/expenses and changes in fund balances/net assets for each fund (See accompanying Exhibit 4-00) and compared the schedule results to the applicable trust prohibitions for creating fund balance deficits to report any noted instances of noncompliance.

Findings: No instances noted.

2. Procedures Performed: We agreed the Authority's material bank account balances to bank statements, and traced the timely clearance of significant reconciling items to report any significant or unusual instances of reconciling items that have not cleared.

Findings: We noted where the Authority received a REAP Grant from the Oklahoma Water Resources Board. The terms of this REAP grant required the Authority to deposit the grant funds into a separate bank account. The Authority opened a separate bank account as required by the grant terms, but the Authority did not post any of the grant revenues or expenditures into their accounting records. The Authority must account for all of their funds in their accounting records to ensure they are properly stated.

3. Procedures Performed: We compared the Authority's uninsured deposits to fair value of pledged collateral to report any amounts of uninsured and uncollateralized deposits.

Findings: At June 30, 2015, the collateral pledged by the First Bank & Trust Company, Clinton, Oklahoma was insufficient to cover the Authority's cash in bank balance by \$30,879.93. The Authority should obtain collateral pledges from all banks with whom it maintains a cash in bank balance over the \$250,000 FDIC coverage.

4. Procedures Performed: We compared the Authority's use of material-restricted revenues and resources to their restrictions to report any noted instances of noncompliance.

Findings: We noted where the Authority was not properly reconciling their meter deposit list with the corresponding meter deposit bank account. The meter deposit list should be reconciled with the corresponding meter deposit bank account on at least a monthly basis to ensure the meter deposits are being properly accounted for in the Authority's accounting records.

5. Procedures Performed: We compared the accounting for the Authority's activities by fund to the legal and contractual requirements for separate funds to report any noted instances of noncompliance.

Findings: No instances noted.

6. Procedures Performed: We compared the Authority's account balances in reserve accounts to contractually required balances and debt service coverage requirements of bond indentures to the actual coverage to report any noted instances of noncompliance. (See accompanying Exhibit 6-00).

Findings: No instances noted.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified users, as identified above, and is not intended to be and should not be used by anyone other than these specified parties.
