We have compiled the accompanying Summary of Changes in Fund Balances of the Town of Camargo, Oklahoma and Dewey County Rural Water District No 2 as of June 30, 2016, and the related Budgetary Comparison Schedules of the General Fund-Cash Basis and Statement of Revenues, Expenses and Changes in Fund Net Assets of the Proprietary Fund for the fiscal year ended June 30, 2016, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The financial statements have been prepared in a format and basis of accounting, as prescribed by Oklahoma Statutes, that demonstrates compliance with the cash basis and budget laws of the State of Oklahoma, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

A compilation is limited to presenting information in the form of financial statements as prescribed by Oklahoma Statutes that is the representation of management. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance on them.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared on the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Town's assets, liabilities, equity, revenues and expenses. Accordingly, these financial statements are not designed for those who are not informed about such matters.

Additionally, we have performed the procedures enumerated below which were agreed to by the specified users of the report, as identified above, and as defined within the applicable state laws of the State of Oklahoma solely to assist the Town and Dewey County Rural Water District No 2 in meeting their financial accountability requirements as prescribed by Oklahoma Statutes §11-17 (105-107) and §60-180.1-.3 and evaluating compliance with specified legal or contractual requirements for the fiscal year ended June 30, 2016. Management of the Town of Camargo is responsible for the Town's financial accountability and its compliance with those legal and contractual requirements. This agreed-upon procedures engagement was conducted in accordance with the attestation standards established by the American Institute of Certified Public Accountants and the additional requirements prescribed in Oklahoma Statutes §11-17 (105-107) and §60-180.1-.3. The sufficiency of the procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.
