**Independent Accountant's Report
On Applying Agreed Upon Procedures
To the Specified Users of the Report:**

**Town Council, Town of Sparks
Sparks, Oklahoma**

**Oklahoma Office of State Auditor and Inspector
Oklahoma City, Oklahoma**

I have compiled the accompanying Summary of Changes in Fund Balance - Modified Cash Basis of Town of Sparks, Oklahoma as of and for the year ended June 30, 2013 and the related Budgetary Comparison Schedules - Modified Cash Basis for the General Fund and Police Fund. The financial statements have been prepared in a format and basis of accounting as prescribed by Oklahoma Statutes, that demonstrates compliance with the modified cash basis and budget laws of the State of Oklahoma, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. I have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with the modified cash basis and budget laws of the State of Oklahoma.

The management of Town of Sparks, Oklahoma is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting and for designing, implementing, and maintaining internal control relevant to the preparation of the financial statements.

My responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to provide any assurance that there are no material modifications that should be made to the financial statements.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared on the modified cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Town's financial position, results of operations, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

Additionally, we have performed the procedures enumerated below which were agreed to by the specified users of the report, as identified above, and as defined within the applicable state laws of the State of Oklahoma solely to assist the Town in meeting its financial accountability requirements as prescribed by Oklahoma Statutes 11-17(105-107) and 60-180.1-.3 and evaluating compliance with specified legal or contractual requirements for the fiscal year ended June 30, 2013. Management of Town of Sparks, Oklahoma is responsible for the Town's financial accountability and its compliance with those legal and contractual requirements.

This agree-upon procedures engagement was conducted in accordance with the attestation standards established by the American Institute of Certified Public Accountants and the additional requirements in Oklahoma Statutes 11-17(105-107) and 60-180.1-. The sufficiency of the procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested of for any other purpose.
