Independent Accountants' Compilation Report

I have compiled the 2010-11 Annual Survey of City and Town Finances of the Town of Vici, Oklahoma, (SA&I Form 2643) included in the accompanying prescribed form. I have not audited or reviewed the financial statements and supporting information in the accompanying prescribed form and accordingly, do not express an opinion or provide any assurance about whether the financial statements and supporting information are in accordance with the form prescribed by the Oklahoma State Auditor and Inspector.

Management is responsible for the preparation and fair presentation of the financial statements and supporting information in accordance with the form prescribed by the Oklahoma State Auditor and Inspector and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements as presented in the Annual Survey of City and Town Finances.

My responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements and supporting information without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements and supporting information.

The financial statements and supporting information included in the accompanying prescribed form are presented in accordance with the requirements of the Oklahoma State Auditor and Inspector, and are not intended to be a presentation in accordance with accounting principles generally accepted in the United States of America.

Management has elected to omit substantially all disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the financial position and results of operations. Accordingly, these financial statements and supporting information are not designed for those who are not informed about such matters.

This report is intended solely for the information and use of management and the Office of the Oklahoma Auditor and Inspector and is not intended to be and should not be used by anyone other than these specified parties.
