### INDEPENDENT AUDITOR'S REPORT

The Honorable Board of Trustees Washita County Public Facilities Authority Cordell, Oklahoma

### Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Washita County Public Facilities Authority (the Authority), a component unit of Washita County, State of Oklahoma, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the Table of Contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness

of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Washita County Public Facilities Authority, a component unit of Washita County, State of Oklahoma, as of June 30, 2016, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Other Matters

### Required Supplementary Information

The Authority has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America required to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

### Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Authority's basic financial statements. The accompanying supplementary information such as the Combining and Individual Non-major Fund Financial Statements are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Combining and Individual Non-major Fund Financial Statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### Other Reporting Required by Government Auditing Standards

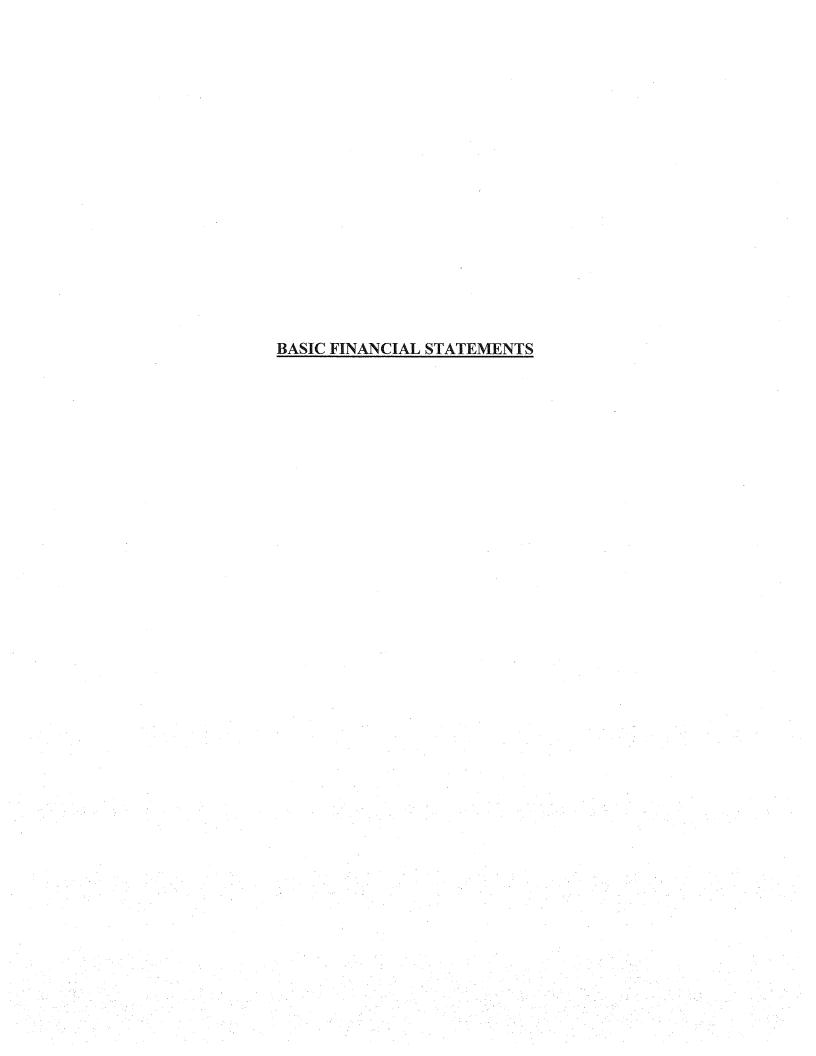

In accordance with <u>Government Auditing Standards</u>, we have also issued our report dated May 9, 2017, on our consideration of Authority's, internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> in considering Authority's internal control over financial reporting and compliance.

### NOTES TO THE FINANCIAL STATEMENTS

### 1. Summary of Significant Accounting Policies

### A. Reporting Entity

The Washita County Public Facilities Authority (the "Trust") is a public trust created under a Trust Indenture dated March 16, 2009 under the provisions of Title 60, Oklahoma Statutes 2001, Sections176 et seq., the Oklahoma Public Trust Act and other applicable statutes and laws of the State of Oklahoma. The purpose of the Trust is to provide funds to design, contract, equip and furnish a new County Jail building. Accordingly, on December 1, 2009, the Trust and Wells Fargo (the "Trustee") approved a bond trust indenture (the "Original Indenture") providing for issuance of sales tax revenue bonds in the aggregate principal amount of \$11,765,000.

The governing body of the Washita County Public Facilities Authority, Cordell, Oklahoma, is governed by five trustees consisting of: one County Commissioner, County Sherriff, and three citizens of the County appointed by the Commissioners, none of whom may be elected officials. The Clerk serves as a non-voting Secretary-Treasurer. The Authority is considered a component unit of Washita County.

In evaluating how to define the Trust, for financial reporting purposes, management has considered all potential component units. The decision to include a potential component unit in the reporting entity was made by applying the criteria established by the Governmental Accounting Standards Board (GASB). The basic -- but not the only -criterion for including a potential component unit within the reporting entity is the governing body's ability to exercise oversight responsibility. The most significant manifestation of this ability is financial interdependency. Other manifestations of the ability to exercise oversight responsibility included, but are not limited to, the selection of governing authority, the designation of management, the ability to significantly influence operation, and accountability for fiscal matters. A second criterion used in evaluating potential component units is the scope of public service. Application of this criterion involves considering whether the activity benefits the Trust and/or its citizens, or whether the activity is conducted within the geographic boundaries of the Trust and is generally available to its patrons. A third criterion used to evaluate potential component units for inclusion or exclusion from the reporting entity is the existence of special financing relationships, regardless of whether the Trust is able to exercise oversight responsibilities.

Based upon the application of these criteria, there are no potential component units included in the Trust's reporting entity.

### Summary of Significant Accounting Policies, (Continued)

### **Reporting Entity (Continued)**

The Washita County Public Facilities Authority, as a public trust created under the provisions of Title 60, Oklahoma Statutes 1991, Sections 176 et seq, has the ability to issue "tax exempt" bonds. Because of this ability to issue tax exempt bonds directly to the public, the Trust is being reported on as a governmental organization.

### B. Basis of Presentation

### **Authority-wide Financial Statements**

The Statements of Net Assets and Statement of Activities display information about the reporting authority as a whole. They include all funds of the reporting entity except for fiduciary funds. The statements distinguish between governmental and business-type activities. Governmental activities generally are financed through taxes, intergovernmental revenues, and other non-exchange revenues. Business-type activities are financed in whole or in part by fees charged to external parties for goods or services.

### **Fund Financial Statements**

Fund Financial statements of the reporting entity are organized into funds, each of which is considered to be separate accounting entities. Each fund is accounted for by providing a separate set of self-balancing accounts that constitute its assets, liabilities, fund equity, revenues, and expenditures/expenses. Funds are organized into three major categories: governmental, proprietary, and fiduciary. An emphasis is placed on major funds within the governmental and proprietary categories. A fund is considered major if it is the primary operating fund of the Trust or meets or meets the following criteria:

- 1. Total assets, liabilities, revenues, or expenditure/expenses or the individual governmental fund or enterprise fund are at least 10 per cent of the corresponding total for all governmental and enterprise fund.
- 2. Total assets, liabilities, revenues, or expenditures/expenses or the individual governmental fund or enterprise fund are at least 5 percent of the total for all governmental and enterprise funds combined.

### Summary of Significant Accounting Policies, (Continued)

### Basis of Presentation (Continued)

### **Measurement Focus**

On the government-wide Statement of Net Assets and the Statement of Activities, both governmental and business-like activities are presented using the economic resources measurement focus as defined in item b below.

- 1. All governmental funds utilize a "current financial resources" measurement focus. Only current financial assets and liabilities are generally included on their balance sheets. Their operating statements present sources and uses of available spendable financial resources during a given period. These funds use fund balance as their measure of spendable financial resources at the end of the period.
- 2. The proprietary fund utilizes an "economic resources" measurement focus. The accounting objective of this measurement focus are the determination of operating income, changes in net assets (or cost recovery), financial position and cash flows. All assets and liabilities (whether current or noncurrent) associated with their activities are reported. Proprietary fund equity is classified as net assets.
- 3. Agency funds are not involved in the measurement of results of operations; therefore, measurement focus is not applicable to them.

### C. Fund Accounting

The Trust uses funds to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain Trust functions or activities. A fund is a separate accounting entity with a self-balancing set of accounts. Funds are classified into three categories: governmental, proprietary and fiduciary. Each category, in turn, is divided into separate "fund types."

### Summary of Significant Accounting Policies, (Continued)

### **Basis of Presentation (Continued)**

### Fund Accounting, (Continued)

Governmental funds are used to account for all or most of a government's general activities, including the collection and disbursement of earmarked monies (special revenue funds).

### Governmental: Special Revenue Funds

<u>Limited Purpose Sales Tax Fund</u>: Monies in the Limited Purpose Sales Tax Fund are derived from the limited purpose sales tax collected by Washita County and is used for funding the requirements of the Trust Indenture.

### **Proprietary: Enterprise Funds**

**Bond Fund:** Monies in the Bond Fund are derived from transfers from the Limited Purpose Sales Tax Fund and investment income and are used for debt service. The Bond Fund will operate as a sinking fund.

<u>Construction Fund</u>: Monies in the Construction Fund are derived from the sale of bonds and investment income and are used for project costs.

<u>Fiduciary Fund</u>: Washita County Public facilities authority did not operate any fiduciary funds.

### D. Basis of Accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

All governmental type funds are accounted for using the modified accrual basis of accounting. Revenues are recognized when they become measurable and available as net current assets. Expenditures are recognized at the time the related fund liability is incurred.

### Summary of Significant Accounting Policies, (Continued)

### Basis of Accounting, Continued

All proprietary fund types are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities associated with the operation of this fund are included on the balance sheet. The accrual basis of accounting is utilized by the proprietary fund type. Under this basis of accounting, revenues are recognized when earned and expenses are recognized when the related liability is incurred.

### E. Budgets and Budgetary Accounting

The Trust did not formally adopt a budget for the special revenue fund. The budget presented is the amount of the required annual debt service.

### F. Assets, Liabilities and Fund Equity

<u>Cash and Cash Equivalents</u> - For purposes of the statement of cash flows, the Trust considers all cash on hand, demand deposits and highly liquid investments, with an original maturity of three months or less when purchased, to be cash and cash equivalents.

**Investments** - The Trust had no investments at June 30, 2016.

**Property Tax Revenues -** The Trust is not authorized by state law to levy property taxes.

**Inventories** - The Trust had no inventory at June 30, 2016.

<u>Fixed Assets and Property, Plant and Equipment</u> - The Trust is constructing a jail facility for Washita County.

<u>Bond Issuance and Discount Costs</u> - Bond issuance and discount costs are capitalized and amortized over the terms of the bonds using the straight line method of amortization.

**Long-Term Debt** - Long-term debt is recognized as a liability of the enterprise fund.

### Summary of Significant Accounting Policies, (Continued)

### Assets, Liabilities and Fund Equity, (Continued)

<u>Net Assets</u> – Unrestricted/Unassigned represents funds not encumbered by vendor invoices or legal contracts and restricted funds are set aside for debt service.

<u>Inter-fund Transactions</u> - Quasi-external transactions are accounted for as revenues, expenditures or expenses. Transactions that constitute reimbursements to a fund or expenditures/expenses initially made from it that are properly applicable to another fund, are recorded as expenditures/expenses in the fund that is reimbursed.

All other inter-fund transactions, except quasi-external transactions and reimbursements, are reported as transfers. Nonrecurring or non-routine permanent transfers of equity are reported as residual equity transfers. All other inter-fund transfers are reported as operating transfers.

<u>Income Taxes</u> - The Washita County Public Facilities Authority is a political subdivision of Washita County, which is a political subdivision of the State of Oklahoma, and therefore, is exempt from federal and state income taxes.

<u>Use of Estimates</u> - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

- 2. <u>Cash and Investments</u> The Trust's cash balances at June 30, 2016, were completely insured or collateralized by federal deposit insurance.
- 3. <u>Accounts Payable</u> Accounts payable in the Trust are composed of payables to construction venders. There were \$0.00 of unpaid invoices as of June 30, 2016.

### Summary of Significant Accounting Policies, (Continued)

### Assets, Liabilities and Fund Equity, (Continued)

- 4. <u>Inter-fund Receivables and Payables</u> There were no inter-fund receivables or payables at June 30, 2016.
- 5. General Long-Term Debt A Sales Tax Revenue Note Series 2009 has been issued by the Trust for the Washita County Public Facilities construction project. This note is required to be fully paid over 20 years. General long-term debt of the Trust consists of \$11,765,000 of sales tax revenue note payable. Debt service requirements are payable solely from the net assets and future revenues of the three-fourths of one cent (3/4 cent) sales tax imposed on Washita County. The Trust has created a security interest in the Sales Tax Revenue of Washita County.

The following is a summary of the long-term debt transactions of the Trust for the year ended June 30, 2016.

	Sal	les Tax Revenue Note Series 2009
Balance, June 30, 2015 Additions Retirements	\$	9,620,000.00 0.00 485,000.00
Balance, June 30, 2016	\$	9,135,000.00

### General Long-Term Debt, (Continued)

A brief description of the outstanding Sales Tax Revenue Note Series 2009 at June 30, 2016, is set forth below:

Date of Issue	Bond Interest Rates	Date of Final Maturity	Total Amount Issued		Total Amount Outstanding
12-1-09	3.00 - 5.00 %	12-01-29	\$ 11,765,000.00	\$	9,135,000.00
				.  .	
			\$ 11,765,000.00	\$	9,135,000.00

The annual debt service requirements for retirements of the Sales Tax Revenue Note Series 2009 note principal and payment of interest are as follows:

Year End June 30	Principal	Interest		Total
2017	\$ 500,000.00	\$ 395,012.50	\$	895,012.50
2018	515,000.00	378,257.50		893,257.50
2019	535,000.00	359,605.00		894,605.00
2020	555,000.00	338,885.00	-	893,885.00
2021	575,000.00	316,562.50		891,562.50
Thereafter	6,455,000.00	1,517,793.75		7,972,793.75
Total	\$ 9,135,000.00	\$ 3,306,116.25	\$	12,441,116.25

The interest expense on the general long-term debt incurred during the year ended June 30, 2016 was:

Interest Expense

Total \$409,075.00

### 6. Revenues, Expenditures and Expenses

<u>Sales Tax Revenues</u> - The Trust receives sales tax revenue from Washita County under a debt service agreement with the Wells Fargo. This sales tax revenue is three-fourths of one cent (3/4 cent) for all county sales for the Sales Tax Revenue Note Bonds Payable Series 2009.

<u>Interest Income</u> - The Trust receives interest on temporary investments made during the year in the debt service funds.

### 6. Revenues, Expenditures and Expenses - Continued

<u>Expenditures and Expense</u> - The Trust expenses include administrative fees for the trustee, annual audit fee, interest expense, depreciation, the amortization of bond issuance and discount costs, and reimbursement to Washita County for a portion of the operating and maintenance expenses. The Trust has no employees or payroll costs.

REP	ORTS REQ	UIRED BY	GOVERNN	MENT AUDITING S	STANDARDS

JAMES M. KUYKENDALL RICK D. MILLER 204 E. FRANKLIN - P.O. BOX 507 WEATHERFORD, OK 73096 580-772-3596 FAX 580-772-3085

### INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Board of Trustees Washita County Public Facilities Authority Cordell, Oklahoma

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Washita County Public Facilities Authority, Cordell, Oklahoma, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise Washita County Public Facilities Authority, Cordell, Oklahoma's basic financial statements, and have issued our report thereon dated May 9, 2017.

### Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Washita County Public Facilities Authority, Cordell, Oklahoma's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we do not express an opinion on the effectiveness of the entity's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### Compliance and Other Matters

As part of obtaining reasonable assurance about whether Washita County Public Facilities Authority, Cordell, Oklahoma's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* in the United States of America.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
