# INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and City Council of the City of Wewoka, Oklahoma

# **Opinions**

We have audited the accompanying modified cash basis financial statements of the governmental activities, the businesstype activities, the discretely presented component unit, each major fund, and aggregate remaining fund information of the City of Wewoka, Oklahoma, (the "City") as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective modified cash basis financial position of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City as of June 30, 2022, and the respective changes in modified cash basis financial position, and where applicable, cash flows thereof for the year then ended in accordance with the modified cash basis of accounting described in Note 1.

# **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

# **Emphasis of Matter—Basis of Accounting**

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

# **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

# Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# **Other Matters**

# Other Information

Management is responsible for the other information included in the annual report. The other information comprises the management's discussion and analysis and budgetary comparison information but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

# Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 22, 2022, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

ssociates PC loje A-

Edmond, Oklahoma December 22, 2022

The management of the City of Wewoka is pleased to provide this annual financial report to its citizens, taxpayers and other report users to demonstrate its accountability and communicate the City's financial condition and activities as of and for the year ended June 30, 2022. Management of the City is responsible for the fair presentation of this annual report, for maintaining appropriate internal controls over financial reporting, and for complying with applicable laws, regulations, and provisions of grants and contracts. The City reports its financial statements and schedules on a modified cash basis which is a comprehensive basis of accounting other than generally accepted accounting principles. All the financial analyses in this report must be considered within the context of the limitations of the modified cash basis of accounting.

# FINANCIAL HIGHLIGHTS

- As reported on a modified cash basis, the City's total net position increased by \$84,771, and the assets of the City exceed its liabilities at June 30, 2022, by \$2,721,023 (net position). Of this amount, \$1,047,566 (unrestricted net position) is available to meet the government's ongoing needs.
- At June 30, 2022, the City's governmental funds reported combined ending fund balances on a modified cash basis of \$2,086,594.

# **ABOUT THE CITY**

- The City of Wewoka is an incorporated municipality with a population of approximately 3,430 located in Seminole County in eastern Oklahoma. The City is a charter city form of government. The City is governed by a five-member Council and operates under state law and City ordinances through the three branches of democratic government:
  - Legislative the City Council is a five-member governing body elected by the citizens at large
  - Executive the City Manager is the Chief Executive Officer and is hired by the City Council
  - Judicial the Municipal Judge is a practicing attorney appointed by the City Council

The City provides typical municipal services such as public safety, street and alley maintenance, parks and recreation, economic development and, through its public trusts, certain other services such as utility services including water, wastewater, and sanitation.

# The City's Financial Reporting Entity

This annual report includes all activities for which the City of Wewoka City Council is financially accountable. These activities, defined as the City's financial reporting entity, are operated within separate legal entities that make up the primary government.

The City's financial reporting entity includes the following separate legal entities:

- The City of Wewoka an incorporated City that operates the public safety, streets, culture and recreation, economic development and administrative activities of the City *reported as the primary government*
- The Wewoka Public Works Authority (WPWA) public trust created to operate the water, wastewater, and sanitation services of the City, with the City Council members serving as the trustees *considered part of the primary government for reporting purposes*
- The Wewoka Industrial Authority (WIA) public trust created to finance, develop and promote industrial development activities of the City, with the City Council members appointing the trustees *considered part of the primary government for reporting purposes*
- The Citizens Improvement League of Wewoka (CILOW) public trust created to finance, develop and promote improvements in the City, with the City Council members appointing the trustees *reported as a discretely-presented component unit*

In addition, as required by state law, all debt obligations incurred by the trusts must be approved by twothirds vote of the City Council. This is considered sufficient imposition of will to demonstrate financial accountability and to include the trust within the City's financial reporting entity. The public trusts do not issue separate annual financial statements.

# **OVERVIEW OF THE FINANCIAL STATEMENTS**

The financial statements presented herein include all of the activities of the City of Wewoka (the "City"), the Wewoka Public Works Authority (the "Public Works Authority"), the Wewoka Industrial Authority (the "Industrial Authority") and the Citizens Improvement League of Wewoka. Included in this report are government-wide statements for each of the three categories of activities – governmental, business-type, and the discretely-presented component unit.

The government-wide financial statements present the complete financial picture of the City as applicable to the modified cash basis of accounting. They present governmental and business-type activities separately and combined. For governmental activities, these statements tell how these services were financed in the short term as well as what remains for future spending. Fund financial statements also report the City's operations in more detail than the government-wide statements by providing information about the City's most significant funds.

# **Reporting the City as a Whole**

# The Statement of Net Position and Statement of Activities

One of the most important questions to ask about the City's finances is, "Has the City's overall financial condition improved, declined or remained steady as a result of the year's activities?" The Statement of Net Position and the Statement of Activities report information about the City as a whole and about its activities in a way that helps answer this question. You will need to consider other non-financial factors, however, such as changes in the City's sales tax base, the condition of the City's roads, and quality of service to assess the overall health of the City. You will also need to keep in mind that these government-

wide statements are prepared in accordance with the modified cash basis of accounting and include only those City assets and liabilities resulting from cash transactions.

In the Statement of Net Position and the Statement of Activities, we divide the City into two kinds of activities: *Governmental activities* - Most of the City's basic services are reported here, including the police, fire, administration, and streets. Sales taxes, franchise fees, fines, and state and federal grants finance most of these activities; and *Business-type activities* – Activities where the City charges a fee to customers to help cover all or most of the cost of certain services it provides are reported here. The City's water, sewer, and sanitation utilities are reported as business-type activities. A third type of activity, that of a discretely presented component unit, is also presented here.

# **Reporting the City's Most Significant Funds - Fund Financial Statements**

#### Fund Financial Statements

The fund financial statements provide detailed information about the City's most significant (major) funds -- not the City as a whole. Some funds are required to be established by State law and by debt covenants. However, the City Council may also establish certain other funds to help it control and manage money for particular purposes or to show that it is meeting legal responsibilities for using certain taxes, grants, and other money. The City has two kinds of funds – *governmental and proprietary*.

*Governmental funds* - All the City's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end that are available for spending. Governmental funds report their activities on a modified cash basis of accounting. For example, these funds report the acquisition of capital assets and payments for debt principal as expenditures and not as changes to asset and debt balances. The governmental fund statements provide a detailed short-term view of the City's general government operations and the basic services it provides. Governmental fund information helps you determine (through a review of changes to fund balance) whether there are more or fewer financial resources that can be spent in the near future to finance the City's programs.

*Proprietary funds* - When the City, through the Public Works Authority, charges customers for the services it provides, these services are generally reported in proprietary funds. Proprietary funds are also reported on the modified cash basis of accounting. The City's proprietary funds are the Wewoka Public Works Authority that accounts for the operation of the water, sewer, and sanitation activities and the Wewoka Industrial Authority that accounts for the operation of the industrial development activities of the City.

#### Notes to the Financial Statements

The notes provide additional information that is essential to gain an understanding of the data provided in the government-wide and fund financial statements. The Notes to the Financial Statements can be found on pages 25-43 of this report.

# **Other Information**

In addition to the basic financial statements and accompanying notes, this report also presents Budgetary Comparison Schedules for the General Fund and TIF Revenue Fund, combining and individual fund financial statements and schedules, and a schedule of expenditures of federal and state grant awards.

# THE CITY AS A WHOLE

For the year ended June 30, 2022, net position on a modified cash basis for the governmental and business-type activities increased \$84,771.

# Net Position (Modified Cash Basis) June 30, 2022

	vernmental Activities	siness-type Activities	 Total
Beginning net position	\$ 2,057,795	\$ 578,457	\$ 2,636,252
Increase in net position Ending net position	\$ 28,799 <b>2,086,594</b>	\$ 55,972 634,429	\$ 84,771 2,721,023

Following is a summary of net position reported on a modified cash basis for the City of Wewoka.

	Governmen	tal Activities	T	Total Percentage Change			
	2022	2021	2022	2021	2022	2021	
Assets	\$ 2,087,683	\$ 2,061,907	\$ 722,004	\$ 681,190	\$ 2,809,687	\$ 2,743,097	2%
Total assets	2,087,683	2,061,907	722,004	681,190	2,809,687	2,743,097	2%
Liabilities	1,089	4,112	87,575	102,733	88,664	106,845	-17%
Total liabilities	1,089	4,112	87,575	102,733	88,664	106,845	-17%
Net position:							
Restricted	1,651,338	1,337,106	22,119	79,150	1,673,457	1,416,256	18%
Unrestricted	435,256	720,689	612,310	499,307	1,047,566	1,219,996	-14%

#### Net Revenue (Expense) of Governmental Activities

#### **Business-type Activities**

The business-type activities had an increase in net position of \$55,972. This increase is due in part to an increase in charges for services of \$77,445. Capital Grants, debt proceeds and contributions increase \$4,125,354 mainly due to a new wastewater utility system revenue note of \$3,780,000. Sewer expenditures increased \$3,645,296 due to the new wastewater utility system revenue note.

# A FINANCIAL ANALYSIS OF THE CITY'S FUNDS

As the City completed its 2022 fiscal year, the governmental funds reported a combined fund balance of \$2,086,594. For the year ended June 30, 2022, the governmental funds total fund balance increased by \$28,799.

# **Budgetary Highlights**

For the year ended June 30, 2022, the General Fund reported actual budgetary basis revenues under final estimates by \$154,354 or a 4.5% negative variance. General Fund actual expenditures were under final appropriations by \$287,869 or a 7.5% positive variance.

# ECONOMIC FACTORS AND NEXT YEAR'S ESTIMATES

The following information outlines significant known factors that will affect subsequent year finances:

• The FY 2023 budget has been prepared using projected revenues based on collections during FY 2022 and remains relatively consistent with the prior year's budget.

### **Contacting the City's Financial Management**

This report is designed to provide our citizens, taxpayers, customers and creditors with a general overview of the City's finances and to demonstrate the City's accountability for the money it receives. If you have questions about this report or need additional financial information, please contact Mark Mosley, City Manager, or Theresa Barkhimer, City Clerk, at 123 S. Mekusukey, Wewoka, Oklahoma 74884 or telephone at 405-257-2413.

FOOTNOTES TO THE BASIC FINANCIAL STATEMENTS

### 1. Summary of Significant Accounting Policies

#### A. Financial Reporting Entity

The City's financial reporting entity includes the primary government (City of Wewoka), two blended component units and one discretely presented component unit as follows:

- The City of Wewoka an incorporated City that operates the public safety, streets, culture and recreation, economic development and administrative activities of the City *reported as the primary government*
- The Wewoka Public Works Authority (WPWA) public trust created to operate the water, wastewater, and sanitation services of the City, with the City Council members serving as the trustees, a blended component unit, considered part of the primary government
- The Wewoka Industrial Authority (WIA) public trust created pursuant to finance, develop and promote industrial development activities of the City, with the City Council members serving as the trustees, *a blended component unit, considered part of the primary government*
- The Citizens Improvement League of Wewoka (CILOW) public trust created to finance, develop and promote improvements in the City, with the City Council members appointing the trustees *reported as a discretely-presented component unit*

In determining the financial reporting entity, the City complies with the provisions of Governmental Accounting Standards Board Statement No. 14, "*The Financial Reporting Entity*", as amended by Statement 61.

The component units are Public Trusts established pursuant to Title 60 of Oklahoma State law. A Public Trust (Authority) has no taxing power. The Authorities are generally created to finance City services through issuance of revenue bonds or other non-general obligation debt and to enable the City Council to delegate certain functions to the governing body (Trustees) of the Authorities. The Authorities generally retain title to assets which are acquired or constructed with Authority debt or other Authority generated resources. In addition, the City has leased certain existing assets at the creation of the Authorities to the Trustees on a long-term basis. The City, as beneficiary of the Public Trusts, receives title to any residual assets when the Public Trusts are dissolved.

As required by state law, all debt obligations incurred by the above trusts must be approved by two-thirds vote of the City Council. This is considered sufficient imposition of will to demonstrate financial accountability and to include the trusts within the City's financial reporting entity. The public trusts do not issue separate annual financial statements.

# **B.** Basis of Presentation and Accounting

#### Government-Wide Financial Statements:

The statements of net position and activities are reported on a modified cash basis of accounting. The modified cash basis of accounting is based on the recording of cash and cash equivalents and changes therein, and only recognizes revenues, expenses, assets and liabilities resulting from cash transactions adjusted for modifications that have substantial support in generally accepted accounting principles. These modifications include only the adjustments for the following balances arising from cash transactions:

- cash-based interfund receivables and payables
- other cash-based receivables/payables
- investments
- utility deposit liabilities

As a result of the use of this modified cash basis of accounting, certain assets and their related revenues (such as accounts receivable and revenue for billed or provided services not yet collected, and accrued revenue and receivables) and certain liabilities and their related expenses (such as accounts payable and expenses for goods or services received but not yet paid, and accrued expenses and liabilities) are not recorded in these financial statements.

Program revenues within the statement of activities are derived directly from each activity or from parties outside the City's taxpayers. The City has the following program revenues in each activity:

- General government: License and permits, rents, and operating grants
- Public safety: Fine revenue, ambulance fees, fire runs, operating grants and capital grants
- Streets and highways: Gas excise and commercial vehicle taxes, street light surcharge
- Culture and recreation: Recreation fees, operating grants and capital grants
- Economic development: Donations for golf course improvements
- Cemetery: Lot sales and interments

Business-type activities are also reported on a modified cash basis.

# Fund Financial Statements:

The funds of the financial reporting entity are described below.

### Governmental Funds:

The City's governmental funds are comprised of the following:

# **Major Funds:**

- General Fund accounts for all activities not accounted for in other special-purpose funds
- TIF Revenue Fund accounts for the tax increments collected and paid to the tax increment district to facilitate the financing of eligible project costs as outlined in Economic Development Project Plan

- Capital Improvement Fund a capital project fund that accounts for funds received and expended for major capital projects
- 2014 G.O. Bond Capital Project Fund a capital project fund that accounts for funds received and expended for general obligation bond activity
- Debt Service Fund (Sinking Fund) accounts for ad-valorem taxes levied by the City for use in retiring General Obligation debt

# Non-Major Funds (Reported as Other Governmental Funds):

#### **Special Revenue Funds:**

- Street and Alley Fund accounts for revenues from gasoline and vehicle taxes used for street maintenance
- Library Grant Fund accounts for library grant revenues and expenditures
- Fire Department Grant Fund accounts for fire department grant revenues and expenditures
- Library Prize Fund accounts for library donation revenues and expenditures
- DSSC Fund accounts for revenues and expenses related to Arts Council and OAC local government grants, along with green fee sales tax receipts and disbursements
- Senior Citizen Fund accounts for revenues and expenditures related to CENA grants
- Economic Development Fund a special revenue fund that accounts for activities specifically related to development of new and existing business activities that further economic development of the community
- Police-DA Seizure Fund accounts for the county shared seizure and related grant monies and expenditures

#### **Capital Project Fund:**

- Cemetery Fund accounts for cemetery revenues restricted for capital and maintenance
- REAP Grant Fund accounts for the revenues and expenditures related to REAP grants
- CDBG Fund a capital project fund that accounts for revenues and expenditures related to CDBG grants

The governmental funds are reported on a modified cash basis of accounting. Only current financial assets and liabilities resulting from cash transactions are included on the fund balance sheets. The operating statements present sources and uses of available spendable financial resources during a given period. These fund financial statements use fund balance as their measure of available spendable financial resources at the end of the period:

# Proprietary Funds:

The City's proprietary funds include the following:

- Wewoka Public Works Authority (WPWA) accounts for the operation of the water, wastewater, and sanitation activities
- Wewoka Industrial Authority (WIA) accounts for operations to finance, develop and promote industrial development activities

The proprietary funds are also reported on the modified cash basis, as defined above.

For purposes of the statement of revenues, expenses and changes in fund net position, operating revenues and expenses are considered those whose cash flows are related to operating activities, while revenues and expenses related to financing, capital and investing activities are reported as non-operating or transfers and contributions.

All the above noted governmental funds are legally required to adopt annual budgets or appropriations. The public trusts (or Authorities) are not required to adopt legal annual appropriations. While each trust develops an annual budget, it is for financial management purposes and does not constitute legal appropriations.

# C. Cash, Cash Equivalents, and Investments

Cash and cash equivalents include all demand and savings accounts, certificates of deposit, and any short-term investments with an original maturity of three months or less. Investments consist of long-term certificates of deposits and are reported at cost.

# **D.** Capital Assets and Depreciation

Due to the use of the modified cash basis of accounting as described in Note 1B, capital assets and related depreciation are not reported in the financial statements, and are reported as expenditures or expenses when purchased.

# E. Long-Term Debt

Due to the use of the modified cash basis of accounting as described in Note 1B, long-term debt obligations are not reported in the financial statements. However, the amount of long-term debt issued and outstanding at the end of the fiscal year is reported as a commitment in Note 11.

### F. Compensated Absences

As a result of the use of the modified cash basis of accounting, as described in Note 1B, liabilities related to accrued compensated absences are not recorded in the financial statements. Expenditures/expenses related to compensated absences are recorded when paid. The amount of accrued compensated absences for accumulated, unpaid compensatory time that would be due employees upon termination is reported as a commitment in Note 11.

# G. Fund Balances and Net Position

*Net Position:* 

Net position is displayed in two components:

a. *Restricted net position* - Consists of net position with constraints placed on the use either by 1) external groups such as creditors, grantors, contributors, or laws and regulations of other governments, or 2) law through constitutional provisions or enabling legislation.

b. Unrestricted net position - All other net position that does not meet the definition of "restricted."

It is the City's policy to first use restricted net position prior to the use of unrestricted net position when an expense is incurred for purposes for which both restricted and unrestricted net position are available.

# Fund Balance:

Governmental fund equity is classified as fund balance. Fund balance is further classified as nonspendable, restricted, committed, assigned, and unassigned. These classifications are defined as:

- a. Nonspendable includes amounts that cannot be spent because they are either (1) not in spendable form or (2) legally or contractually required to be maintained intact.
- b. Restricted consists of fund balance with constraints placed on the use of resources either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments, or (2) laws through constitutional provisions or enabling legislation.
- c. Committed includes amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the City's highest level of decision-making authority. The City's highest level of decision-making authority is made by ordinance. Currently, the City has no committed fund balance.
- d. Assigned includes amounts that are constrained by the City's intent to be used for specific purposes but are neither restricted nor committed. Assignments of fund balance may be made by City Council action or management decision when the City Council has delegated that authority. Assignments for transfers and interest income for governmental funds are made through the budgetary process.

e. Unassigned – represents fund balance that has not been assigned to other funds and has not been restricted, committed, or assigned to specific purposes within the General Fund.

It is the City's policy to first use restricted fund balance prior to the use of the unrestricted fund balance when an expense is incurred for purposes for which both restricted and unrestricted fund balance are available. The City's policy for the use of unrestricted fund balance amounts require that committed amounts would be reduced first, followed by assigned amounts and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of those unrestricted fund balance classifications could be used.

### H. Internal and Interfund Balances and Transfers

The City's policy is to eliminate interfund transfers and balances in the statement of activities and net position to avoid the grossing up of balances. Only the residual balances transferred between governmental and business-type activities are reported as internal transfers and internal balances then offset in the total column in the government-wide statements. Internal transfers and balances between funds are not eliminated in the fund financial statements.

#### 2. Deposits and Investments

For the year ended June 30, 2022, the City recognized \$4,169 of investment income. Due to the minimal rates of return on allowable investments in the current environment, most of the City's deposits are in demand and short-term time deposits.

At June 30, 2022, the primary government held the following deposits and investments:

	Carrying
Primary Government	Value
Deposits:	
Demand deposits	\$ 2,713,304
Time deposits - certificates of deposit	93,530

*Custody Credit Risk* - Custodial credit risk is the risk that in the event of a bank failure, the government deposits may not be returned to it. The City is governed by the State Public Deposit Act which requires that the City obtain and hold collateral whose fair value exceeds the amount of uninsured deposits. Investment securities are exposed to custody credit risk if the securities are uninsured, are not registered in the name of the government, and if held by either a counterparty or a counterparty's trust, department or agent, but not in the government's name.

*Custodial Credit Risk* – Custodial credit risk is the risk that in the event of a bank failure, the government deposits may not be returned to it. The city is governed by the State Public Deposit Act which requires that the city obtain and hold collateral whose fair value exceeds the amount of uninsured deposits. Investment securities are exposed to custody credit risk if the securities are uninsured, are not registered in the name of the government, and if held by either a counterparty or a counterparty's trust, department or agent, but not in the government's name.

As of June 30, 2022, the City has deposits that are under-collateralized at one institution in the amount of \$707,852 and thus exposed to custody credit risk.

Investment Interest Rate Risk – Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The City has no investment policy that limits investments based on maturity. The City discloses its exposure to interest rate risk by disclosing the maturity dates of its various investments, where applicable.

*Investment Credit Risk* - The City has no investment policy that limits its investment choices other than the limitations of state law that generally authorize investments in: (1) full faith and credit, direct obligations of the U. S. Government, its agencies and instrumentalities, and the State of Oklahoma and certain mortgage insured federal debt; (2) certificates of deposit or savings accounts that are either insured or secured with acceptable collateral; (3) negotiable certificates of deposit, prime bankers acceptances, prime commercial paper and repurchase agreements with certain limitations; (4) county, municipal or school district tax supported debt obligations, bond or revenue anticipation notes, money judgments, or bond or revenue anticipation notes of public trusts whose beneficiary is a county, municipality or school district; and (5) government money market funds regulated by the SEC. These investment limitations do not apply to the City's public trusts.

As of June 30, 2022, the City was not exposed to investment credit risk as defined above.

*Concentration of Investment Credit Risk* - Exposure to concentration of credit risk is considered to exist when investments in any one issuer represent a significant percent of total investments of the City (any over 5% are disclosed). Investments issued or explicitly guaranteed by the U.S. government and investments in mutual funds, external investment pools, and other pooled investments are excluded from this consideration. The City has no investment policy regarding concentration of credit risk.

At June 30, 2022, the City had no concentration of credit risk as defined above.

*Restricted Cash and Investments* – The amounts reported as restricted assets on the statement of net position are comprised of amounts restricted for utility deposits and capital project accounts. The restricted assets as of June 30, 2022 are as follows:

	Cash	and Cash					
Type of Restricted Assets	Equ	uivalents	Inv	estments_	Total		
Utility Deposits	\$	-	\$	87,575	\$	87,575	
Capital Project Accounts		22,119		-		22,119	
Total Restricted Assets	\$	22,119	\$	87,575	\$	109,694	

# 3. Note Receivable

# Expanded Solutions, LLC

The City of Wewoka, Oklahoma, acting through its Public Works and Industrial Authorities, has entered into various agreements with Expanded Solutions, LLC, Wewoka, Oklahoma. Under terms of these agreements, the Industrial Authority has purchased real property and improvements from Expanded Solutions, LLC. The proceeds from this purchase, along with other funds, were used by Expanded Solutions, LLC to make substantial upgrades and improvements to the property. The Industrial Authority has also agreed to sell back the same property to Expanded Solutions, LLC under terms of a twenty-year note. Note payments of \$1,667 commenced July 1, 2008, and are due the first day of each month thereafter with final payment due June 1, 2026. Funds for these transactions were provided by a contract with the Oklahoma Department of Commerce contract number 10992 ED 87. The balance outstanding on this lease at June 30, 2022 was \$91,667.

The City of Wewoka, Oklahoma, acting through its Industrial Authority, has entered into an agreement with Blaine Butner, manager of the golf pro shop to purchase golf pro shop merchandise. Under terms of this agreement, the borrower has received and promises to pay back to the Wewoka Industrial Authority the principal sum of \$5,000 with accrued interest in monthly installments of \$118.55. The merchandise will be considered the security or collateral to this note. The balance outstanding on this note at June 30, 2021 was \$4,407.

Since the City reports on a modified cash basis of accounting, note receivables are not reported in the financial statements.

# 4. Sales Tax Revenue

Sales tax revenue represents a four-cent tax on each dollar of taxable sales within the City.

- Ord. 266 1 cent levied for general operations
- Ord. 315 1 cent levied for general operations
- Ord. 346 1 cent levied for various purposes as follows: 10% for economic development, 20% for general operations, 20% for capital outlay/equipment, 25% for capital improvements to the water and sewer systems, and 25% for capital improvements to the street system.
- Ord. 451 1 cent levied for various purposes as follows: 50% for general operations, 20% for capital improvements to the water and sewer systems, 20% for capital outlay/equipment, and 10% for economic development.

Therefore, 2.9 cents are recorded in the General Fund of which 2.7 cents is retained and .2 cents are transferred to the Industrial Authority for economic development, and 1.1 cents recorded in the Capital Improvement Fund (.40 cent for equipment, .45 cent for water and sewer, and .25 cent for streets).

# 5. **Property Tax Levy**

Under State law, municipalities are limited in their ability to levy a property tax. Such tax may only be levied to repay principal and interest on general obligation bonded debt approved by voters and any court-assessed judgments.

At the present time the City levies a property tax to fund the annual debt service requirements of general obligation bonds outstanding.

The property tax levy, as determined by the City's debt service needs, is submitted to the County Excise Board for approval. County assessors determine the taxable value of real estate and personal property in the County. A State Board of Equalization hears complaints on real estate values with the power to equalize assessments. Under present State law, the ratio of assessed value to true value cannot be less than 11 percent nor more than  $13\frac{1}{2}$  percent.

Property taxes levied by the City are billed and collected by the County Treasurer's Office and remitted to the City in the month following collection. Property taxes are levied normally in October and are due in equal installments on December 31 and March 31. Property taxes unpaid for the fiscal year are attached by an enforceable lien on property in the following October. Property taxes levied, but not collected during the year or within 60 days of year-end are reported as deferred revenue.

For the year ended June 30, 2022, the City's net assessed valuation of taxable property was \$8,498,689. The taxes levied by the City per \$1,000 of net assessed valuation for the year ended June 30, 2022 was \$11.85.

#### 6. Customer Deposits

Refundable customer deposits reported as a liability within the Statement of Net Position are comprised of utility deposits payable.

Current	\$17,516
Noncurrent	70,059
	<u>\$87,575</u>

#### 9. Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employee health and life; and natural disasters. The City manages these various risks of loss by securing commercial insurance for all risks, except for participation in the Oklahoma Municipal Assurance Group risk entity pool for certain coverage. Management believes such insurance coverage is sufficient to preclude any significant uninsured losses to the City. Settled claims have not exceeded this insurance coverage in any of the past four fiscal years.

## **10. Employee Retirement Plan Participation**

The City participates in three employee retirement plans:

- 1. Oklahoma Firefighter's Pension and Retirement System (OFPRS) a statewide cost-sharing plan
- 2. Oklahoma Police Pension and Retirement System (OPPRS) a statewide cost-sharing plan
- 3. Oklahoma Public Employees Retirement System (OPERS) a statewide cost-sharing plan

# OFPRS:

*Plan Summary Information:* The City of Wewoka, as the employer, participates in the Firefighters Pension & retirement—a cost-sharing multiple-employer defined benefit pension plan administered by the Oklahoma Firefighters Pension & Retirement System (OFPRS). The OFPRS provides defined retirement benefits based on members' final average compensation, age, and term of service. In addition, the retirement program provides for benefits upon disability and to survivors upon death of eligible members. Pursuant to the requirements of Title 11, section 22-102, the City must participate in the plan if they employ full-time or volunteer firefighters. The City has no responsibility or authority for the operation or administration of the pension program, nor has it any related liability, except for the current contribution requirements.

The OFPRS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to:

OFPRS 4545 N. Lincoln Blvd., Suite 265 Oklahoma City, OK 73105-3414

*Funding Policy:* The City is required by state law to contribute 14% of covered payroll per year for each fulltime firefighter. The City, pays 3% of the employee portion while the employees contribute 6% for a total of 9% of covered payroll. For volunteer firefighters, the City is required to contribute \$60 per year per volunteer, while there is no required contribution by the volunteer. The plan is funded by contributions from participants, employers, insurance premium taxes, and state appropriations, as necessary.

The amount contributed for volunteer firefighters totaled \$180 for the current fiscal year.

### Schedule of Retirement Plan Contributions OFPRS Cost-Sharing Plan

Fiscal Year	Required Contribution	Amount Contributed
2020	\$48,020	\$48,020
2021	\$43,535	\$43,535
2022	\$49,494	\$49,494

# **OPPRS**:

*Plan Summary Information:* The City of Wewoka, as the employer, participates in the Oklahoma Police Pension and Retirement Plan—a cost-sharing multiple-employer defined benefit pension plan administered by the Oklahoma Police Pension and Retirement System (OPPRS). The OPPRS defined benefit pension plan provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Pursuant to the requirements of Title 11, section 22-102, the City must participate in the plan if they employ a certain number of fulltime police officers. The City has no responsibility or authority for the operation or administration of the pension program, nor has it any related liability, except for the current contribution requirements.

The OPPRS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to:

## OPPRS 1001 N.W. 63<sup>rd</sup> St., Suite 305 Oklahoma City, OK 73116-7335

*Funding Policy:* The City is required by state law to contribute 13% of covered payroll per year for each police officer. The City pays 3% of the employee portion while the employees contribute 5%, for a total of 8% of covered payroll. The plan is funded by contributions from participants, employers, insurance premium taxes, and state appropriations, as necessary.

The OPPRS contributions are as follows:

### Schedule of Retirement Plan Contributions OPPRS Cost-Sharing Plan

Fiscal Year	Required Contribution	Amount Contributed
2020	\$27,905	\$27,905
2021	\$21,861	\$21,861
2022	\$28,347	\$28,347

### **OPERS**:

*Plan Summary Information:* The City has provided a defined benefit plan for all of its full-time employees with the exception of the fire and police department, through Oklahoma Public Employees Retirement System (OPERS). The City, as employer, contributes 16.5% of the employee's gross wages while the employees' contribute 3.5%. The plan is funded by contributions from participants, employers, insurance premium taxes, and state appropriations, as necessary. For the year ended June 30, 2022, the City contributed \$117,601 to the plan, while the employee contributions totaled \$24,986.

A copy of the OPERS financial statements can be obtained from Oklahoma Public Employees Retirement System, 2101 N. Lincoln Blvd., Room 580, Oklahoma City, OK 73105.

<u>Fiscal Year</u>	Required Contribution	Amount Contributed
2020	\$104,730	\$104,730
2021	\$116,960	\$116,960
2022	\$117,601	\$117,601

The OPERS contributions are as follows:

# 11. Commitments and Contingencies

### Compensated Absences:

As a result of the City's use of the modified cash basis of accounting, accrued liabilities related to compensated absences (vacation and comp leave) earned but unpaid at year-end are not reflected in the basic financial statements. The compensated absence commitment at June 30, 2022 is \$59,755 for governmental activities and \$25,349 for business-type activities.

#### Litigation:

The City and its public trusts are parties to various legal proceedings or have threatened litigation which normally occurs in the course of municipal governmental operations. The financial statements do not include accruals or provisions for loss contingencies that may result from these proceedings. State Constitution and statutes provide for the levy of an ad valorem tax over a three-year period by a Sinking Fund for the payment of any court assessed judgment rendered against the City. (This provision is not available to public trusts.) While the outcome of the above noted proceedings or threatened litigation cannot be predicted, due to the insurance coverage maintained by the City and the State statute relating to judgments, the City feels that any settlement or judgment not covered by insurance would not have a material adverse effect on the financial condition of the City.

#### Federal and State Award Programs:

The City of Wewoka participates in various federal or state grant/loan programs from year to year. The grant/loan programs are often subject to additional audits by agents of the granting or loaning agency, the purpose of which is to ensure compliance with the specific conditions of the grant or loan. The City has not been notified of any noncompliance with federal or state award requirements.

#### Footnotes to Budgetary Comparison Schedules:

1. The budgetary comparison schedules are reported on the same modified cash basis as governmental funds within the basic financial statements. For budgetary comparison purposes, the City considers all encumbrances to lapse at year-end, therefore encumbrances are not considered expenditures for budgetary comparison purposes. However, the City will re-appropriate these lapsed encumbrances in the subsequent year budget. In addition, capital leases and debt proceeds are not budgeted for revenues and any related capital expenditures not directly received by the City. The differences are summarized below:

	General Fund
Actual revenues and transfers per Statement of Revenues,	
Expenditures and Changes in Fund Balance	\$2,199,193
Add: Reclass of public works activity to the PWA (transfer in)	1,199,050
Less: Insurance Loss Account revenues	(6,768)
Transfer of sales tax to WIA	(45,337)
Proceeds from debt	(102,528)
Total budgetary amounts resources available for appropriation	\$3,243,610
Actual expenditures and transfers per Statement of Revenues,	
Expenditures and Changes in Fund Balance	\$2,481,615
Add: Reclass of public works activity to the PWA	1,199,050
Less: Insurance Loss expenditures and transfers	(7,199)
Proceeds from debt	(102,528)
Transfer of sales tax to WIA	(45,337)
Total budgetary charges to appropriations	\$3,525,601

**2.** The legal level of appropriation control is the department level within a fund. Transfer appropriations require the Mayor's approval and supplemental appropriations require City Council's approval.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Honorable Mayor and City Council of the City of Wewoka, Oklahoma

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Wewoka, Oklahoma (the "City"), as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated December 22, 2022.

# **Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

# **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
