INDEPENDENT AUDITOR'S REPORT

To the Honorable Board of Directors
Woodward County Public Facilities Authority
Woodward, Oklahoma

Opinions

We have audited the accompanying modified cash basis financial statements of the business-type activities, each major fund, and the aggregate remaining fund information of the Woodward County Public Facilities Authority, Woodward, Oklahoma, a component unit of Woodward County, State of Oklahoma, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Woodward County Public Facilities Authority's basic financial statements as listed in the Table of Contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective modified cash basis financial position of the business-type activities, each major fund, and the aggregate remained fund information of Woodward County Public Facilities Authority, Woodward, Oklahoma, as of and for the year ended June 30, 2022, and the respective changes in modified cash basis financial position, and where applicable, cash flows thereof for the year then ended in accordance with the modified cash basis of accounting described in Note 1.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Woodward County Public Facilities Authority, Woodward, Oklahoma, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter-Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 1, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Woodward County Public Facilities Authority, Woodward, Oklahoma's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Woodward County Public Facilities Authority, Woodward, Oklahoma's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Woodward County Public Facilities Authority, Woodward, Oklahoma's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report June 1, 2023, on our consideration of Woodward County Public Facilities Authority, Woodward, Oklahoma's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Woodward County Public Facilities Authority, Woodward, Oklahoma's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Woodward County Public Facilities Authority, Woodward, Oklahoma's internal control over financial reporting and compliance.

NOTES TO THE FINANCIAL STATEMENTS

**NOTES TO FINANCIAL STATEMENTS
WOODWARD COUNTY
PUBLIC FACILITIES AUTHORITY
WOODWARD, OKLAHOMA
JUNE 30, 2022**

1. Summary of Significant Accounting Policies

A. Reporting Entity

The Woodward County Justice Facilities Authority (the "Authority") is a public trust created on May 26, 2009, under a Trust Indenture dated under the provisions of Title 60, Oklahoma Statutes 2001, Sections 176 et seq., the Oklahoma Trust Act and other applicable statutes and laws of the State of Oklahoma. The purpose of the Trust is to (assist the Beneficiary in making the most efficient use of all their economic resources and powers in accord with the needs and benefit of the State of Oklahoma and Beneficiary in order to lessen the burdens on government and to stimulate economic growth and development and to wit,) to provide funds to design, contract, equip and furnish a new detention facility in Woodward County of Oklahoma (Woodward County) as the beneficiary of the trust.

The Authority is governed by a Board of Trustees, consisting of seven trustees who are the sheriff of the County, a member of board of County Commissioners and five residents of Woodward County. The five residents are nominated and elected to 3-year terms by the Commissioners. For financial reporting purposes, the Authority is considered a component unit of Woodward County.

The Authority is authorized to develop a new detention facility in Woodward County and to operate and maintain the Woodward County Detention Facility through a levy by Woodward County of a county excise (sales) tax of five-eighths (.625) of one (1) cent upon the gross proceeds derived from all sales to any person taxable under sales tax laws of Oklahoma, the depository account with the Woodward County Treasurer. A portion of such sales tax, seventeen-fortieths (.425) of one cent, shall, have a limited duration of ten (10) years from the date of commencement, or until principal and interest upon indebtedness incurred on behalf of Woodward County by the Woodward County Public Facilities Authority in furtherance of the new County Detention Facility is paid in full, whichever occurs earlier: while the remaining portion of such sales tax, one-fifth (.200) of one (1) cent, is to continue until repealed by a majority of the electors of Woodward County in an election called for that purpose.

The sales tax was approved by a majority of the qualified voters of Woodward County on August 11th, 2009. The sales tax was implemented on January 1, 2010. Proceeds from the sales tax levy are designated to be used specifically for the acquisition, construction, and equipping of a new detention facility: and for the operating and maintenance of the Woodward County Detention Facility. To facilitate the transfer of the assessed sales tax,

**NOTES TO FINANCIAL STATEMENTS
WOODWARD COUNTY
PUBLIC FACILITIES AUTHORITY
WOODWARD, OKLAHOMA
JUNE 30, 2022**

Summary of Significant Accounting Policies, (Continued)

Reporting Entity (Continued)

the Authority and Woodward County have entered into a sales Tax Agreement, which provides for Woodward County to collect and transfer monthly sales taxes collected to the Authority. Contractual revenues from Woodward County-dedicated sales taxes-represent sales taxes that Woodward County received from the Oklahoma Tax Commission (OTC) that are transferred to the Authority.

In addition to the Sales Tax Agreement, the Authority entered into a Facilities Use and Operations agreement that states Woodward County shall budget funds sufficient in amount for all years that the bonds payable and the Facilities Use and Operations Agreement remain outstanding and, consistent with its existing practices, to cover a portion of the costs of maintenance and operation of the new county detention facility.

The Woodward County Public Facilities Authority, as a public trust created under the provisions of Title 60, Oklahoma Statutes 2001, Sections 176 et seq, has the ability to issue "tax exempt" bonds. Because of this ability to issue tax exempt bonds directly to the public, the Trust is being reported on as a governmental organization.

B. Fund Accounting

The Trust uses funds to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain Trust functions or activities. A fund is a separate accounting entity with a self-balancing set of accounts. Funds are classified into three categories: governmental, proprietary and fiduciary. Each category, in turn, is divided into separate "fund types."

Governmental funds are used to account for all or most of a government's general activities, including the collection and disbursement of earmarked monies (special revenue funds).

**NOTES TO FINANCIAL STATEMENTS
WOODWARD COUNTY
PUBLIC FACILITIES AUTHORITY
WOODWARD, OKLAHOMA
JUNE 30, 2022**

Summary of Significant Accounting Policies, (Continued)

Fund Accounting (continued)

Governmental Fund Types:

General Fund: The general fund accounts for all revenues and expenditures applicable to the general operations of the Authority which are not properly accounted for in another fund. All general operating revenues which are not restricted or designated to be used by outside sources are recorded in the general fund.

Debt Service Funds: The debt service funds are used to account for payment of interest and principal on the matured portion of long-term debt. See Note F for information regarding the Authority's sources of long-term debt as of June 30, 2022.

Capital Project Funds: The capital project funds account for financial sources to be used for the acquisition or construction of the Woodward County Jail Facility and other approved projects.

Escrow Account: The escrow account was established solely to refund and repay the refunded bonds.

C. Basis of Accounting

The financial statements have been prepared on a modified cash basis reflecting cash transactions and related changes in fund balance. Therefore, the financial statements do not purport to present the financial position or results of operations, as the modified cash basis is not in conformity with generally accepted accounting principles in that accounts receivables, inventories of supplies, depreciation of fixed assets, amortization of discount on sale of revenue bonds, accounts payable and liabilities under contractual obligations are not presented.

**NOTES TO FINANCIAL STATEMENTS
WOODWARD COUNTY
PUBLIC FACILITIES AUTHORITY
WOODWARD, OKLAHOMA
JUNE 30, 2022**

Summary of Significant Accounting Policies, (Continued)

D. Cash and Investments

The trust funds of the Authority are on deposit with its fiscal agent, BancFirst Trust and Investment Management. The County uses a pooled cash concept in maintaining its bank accounts. All cash is pooled for operating and investment purposes, and each fund has an equity in the pooled amount. For reporting purposes, cash and related time deposits have been allocated to each fund based on that fund's equity in the pooled amount.

Investments are reported at cost or amortized cost, which approximates market value. Interest earned on investments is allocated to the General Fund, Debt Service Funds and Capital Project Funds on an equity basis. All funds were invested in interest-bearing demand accounts. All cash and investments as of the balance sheet date are entirely insured or collateralized with securities held by the State Treasurer in the County's name.

E. Fixed Assets

Although the Authority has constructed a jail facility, it is understood that this facility will be transferred to the trust beneficiary, Woodward County. The detailed historical inventory information for land, buildings, and related improvements has not been recorded as an asset, as those costs are expensed on an on-going basis. For these reasons, the construction costs of the new facility have not been presented as capitalized (and depreciated) within the Authority's financial statements.

F. General Long-Term Debt

1. Sales Tax Revenue Refunding Bonds, Series 2019

On September 1, 2019 the Authority issued the Series 2019 Sales Tax Revenue Refunding Bonds. The bonds were issued during November 2019, and those bond proceeds were deposited and invested through the Authority's Escrow Account in anticipation of an early redemption and defeasance of the Series 2013-A & B issues.

**NOTES TO FINANCIAL STATEMENTS
WOODWARD COUNTY
PUBLIC FACILITIES AUTHORITY
WOODWARD, OKLAHOMA
JUNE 30, 2022**

General Long-Term Debt, (Continued)

The Authority had transferred \$410,000 of excess collections to the trustee bank in order to call on September 1, 2021, the Series 2019 bonds due September 1, 2025 in the amount of \$410,000.

G. Risk Management

Insurance Coverage - Woodward County provides all insurance coverage for the Authority.

H. Subsequent Events

Management has reviewed the events subsequent to June 30, 2022, through June 1, 2023, and do not feel that any additional disclosures are necessary.

REPORTS REQUIRED BY GOVERNMENT AUDITING STANDARDS

BRITTON, KUYKENDALL, & MILLER
CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE
AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS*

To the Honorable Board of Directors
Woodward County Public Facilities Authority
Woodward, Oklahoma

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the comptroller general of the United States, the financial statements of the business-type activities, each major fund, and the aggregate remaining fund information of Woodward County Public Facilities Authority, Woodward, Oklahoma, as of and for the year ended June 30, 2022 and the related notes to the financial statements, which collectively comprise Woodward County Public Facilities Authority, Woodward, Oklahoma's basic financial statements, and have issued our report thereon dated June 1, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Woodward County Public Facilities Authority, Woodward, Oklahoma's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Woodward County Public Facilities Authority, Woodward, Oklahoma's internal control. Accordingly, we do not express an opinion on the effectiveness of Woodward County Public Facilities Authority, Woodward, Oklahoma's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify

any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Woodward County Public Facilities Authority, Woodward, Oklahoma's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

This purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
